# BITS AND PIECES

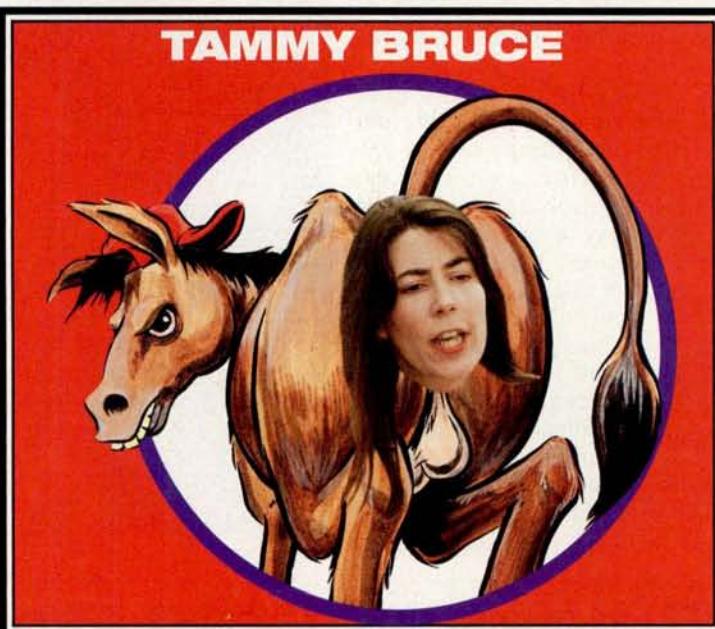

## ASSHOLE OF THE MONTH

Women: Can't live with them; can't shave an old sock in their mouths. Even if you're the National Organization for Women (NOW), some women are just too dumb, loud and bitchy to be tolerated, especially if that woman is Tammy Bruce, president of the Los Angeles chapter of NOW and HUSTLER's Asshole of the Month for May 1996.

Tammy Bruce has clawed her way from local pest to national aggravation upon the hacked-up corpse of Nicole Brown Simpson. The day that football legend O. J. Simpson was acquitted of Nicole's murder, Tammy Bruce rounded up 1,500 supporters for a candlelight vigil in Westwood, California. Three days later, she led a wailing march of 5,000 through O. J.'s Brentwood neighborhood. The seething throng stopped short of tarring, feathering, stringing up and burning the African American descendant of slaves in effigy. Still, the effect was as if a Ladies Auxiliary Lynch Mob and Luncheon Club had convened.

Two days later, Bruce cemented her position as the Al Sharpton of women's rights by heading 500 highly charged protesters and dozens of fully loaded cameras outside NBC Studios in Burbank. NBC had planned to run an interview with Simpson, but the acquitted defendant had canceled. Said Bruce of Simpson, speaking for herself: "You are not welcome here; you are not welcome in our country; you are not welcome on our airwaves; you are not welcome in our culture."

Perhaps, thought some feminists of color and white supremacists,

*Bruce might welcome Simpson to go back to Africa and take his kind with him.*

Bruce appeared on *Larry King Live* and on *Nightline*. She established her reputation as the Grand Wizard of the women's movement by blurting, "what we need to teach our children...is not about racism, but is about violence against women."

Bruce, in her role as the David Duke of feminist rhetoric, told the *Los Angeles Times* that her fixation on spousal abuse above all other issues raised by the Simpson trial offered "a break from all that talk of racism." And a break from consideration of Ron Goldman, a murdered male who was neither perpetrator

nor victim of spousal abuse.

The Associated Press reported that 33-year-old, former publicist Bruce refused an opportunity to discuss the Simpson case on a TV program; she did not want "to argue with a bunch of black women." Bruce claims to have been misquoted, but even the Adolf Hitler of gender equality needs to bunker down from her publicity blitz.

Prior to October 7, 1995 (known as Free O. J. Day), two-legged parasite Tammy Bruce was only a small screech in the cacophony of blowhards that makes up the aural landscape of Southern California. Bruce was elected president of NOW's L. A. coven in 1989 after campaigning as "an open lesbian."

**John F. Kennedy Jr.: In an effort to overcome perceptions that he has not lived up to his genetic programming, John F. Kennedy Jr. got a job as a magazine publisher. The inaugural issue of his rag, *George*, was most notable for featuring Cindy Crawford on the cover. The magazine, reputedly focused on politics, asks the tough questions, such as: What**

### Fart in the Wind

**does Warren Beatty have to say about Washington, women and movies? In fluff issue two of the bimonthly, John-John complains "that we had to do all that heavy lifting again and publish yet another issue so soon came as something of a shock—to me at least." For issue three, Kennedy fired his editor. Larry Flynt Publications**

**hereby extends the offer of an editorial internship working on our flagship, HUSTLER, to John F. Kennedy Jr. Come into the trenches with us, get your hands dirty, put pussy over politics, learn what it takes to craft a great magazine worthy of being America's Best. If you work out, we might hire you on full time. Don't be an Asshole.**

Since then, her strident, ego-saturated rants and pontificating on her KFI talk-radio weekend bitch-and-moan show have gone largely ignored by intelligent, healthy humans.

Bruce's audience can be divided loosely into three groups: people who have lost the use of their arms and are unable to turn off the radio, sick masochists who derive twisted pleasure from simultaneously being pained by and feeling superior to their tormentor, and seven or eight smugly unhappy women with whom we need not concern ourselves.

Bruce's listeners have strong reactions to her. "You're nothing but a glory hog with an agenda," opined one. To the observation that she is a media whore, Bruce responds, "Absolutely I am."

The national hierarchy of NOW formally condemned Bruce for her racial insensitivity and demanded an apology. "I will not be silenced," bleated Bruce. The Tammy's megalomania seems to block her awareness that the women's movement meets enough resistance without struggling against perceptions that it is the province of PMS-afflicted, cat-fighting harpies.

"I don't worry about people who don't like me," brags Bruce, whose father "disappeared a few months before I was born. I'm not sure he ever knew about me."

No need to worry about whether or not he would like her. Who wouldn't be proud of a woman who has made O. J. Simpson almost sympathetic?

Daddy didn't raise no Asshole. Tammy did that herself.

DEAR ANN: I've read your column every day for years. Recently, the *New Yorker* quoted you as saying, "Of course [the Pope's] a Polack. They're very anti-woman." As a Polack, I can't believe my favorite advice columnist would use such an insensitive slur to generalize about an entire ethnic group. Say it ain't so, Ann.

—P. J. P.  
The Vatican, Rome

DEAR P. J. P.: Sounds like somebody at the *New Yorker* is yanking your crank. Of course, the *New Yorker*'s a bunch of faggots. Faggots have AIDS.

DEAR ANN: I was outraged by your remark about Polacks in the *New Yorker*. Everybody knows Polacks aren't anti-woman; Polacks are stupid.

—Leroy  
Harlem, New York

DEAR LEROY: I stand corrected—and by a coon, no less. Of course, coons are stupid and lazy.

DEAR ANN: I'm a nationally syndicated advice columnist and a card-carrying member of the Anti-Defamation League. My stupid, senile sister (also an advice columnist) doesn't know when to keep her fat mouth shut. How can I convince the nattering old biddy not to espouse her brain-dead opinions to every Tom, Dick and Harry who comes around with a tape recorder?

—Abby  
Los Angeles, California

DEAR ABBY: Give that dumb bitch 40 lashes with a wet noodle. Of course, save a few strokes for yourself, you money-grubbing Hebe; now you know how Jesus felt. Wait a minute—I'm a Kike too. Scratch that "Christ-killer" bit and add "Darkies are lazy," "Wops are gangsters," "Micks are drunks," "Chinks have small dicks" and "Spics are petty criminals." That ought to do it. Gotta run, it's time for my coffee klatsch with Marge Schott and Kathie Lee Gifford.

PARODY. NOT TO BE TAKEN SERIOUSLY. ADVICE COLUMNISTS HEAD PASTED ONTO OUR MODEL'S BODY.

## Big Bulges in Tight Genes

Findings reported in the scientific journal *Nature Genetics* suggest that a so-called gay gene may lurk deep in the DNA of even the most hardened he-man, ever ready to bloom

into full boy-fucking flower. Concerned faggot-phobes can learn if their genetic patterns hold this queer quirk of nature by choosing the statement that most accurately

reflects what's wrong with this photograph. Turn the page upside down to find out if your answer indicates a biological destiny of sperm swelling and fecal incontinence.

### What's Wrong With This Picture?

- Something like a nice candlestick lamp would better complement those columns.
- The repeated patterns on that Porthault bed-spread and trim are so tacky.
- Heilo?* That flower arrangement is simply gauche in such an underlit niche.
- What's not wrong with this picture? The vases, bric-a-brac and stereo equipment make the entire room asymmetrical.
- This chick should be facedown in the pillows, covered with sperm, and pleading for more cock.

ANSWER: If you can't determine the correct answer without *HUSTLER*'s help, you may carry the gay gene. Straighten out with the gorgeous gals in this month's pictorials.

THEY DIDN'T FOLLOW RULES. THEY DIDN'T PLAY FAIR. AND THEY DIDN'T WEAR UNIFORMS.  
BECAUSE THEY DIDN'T GIVE A FLYING PUCK.

## Porn From the Past

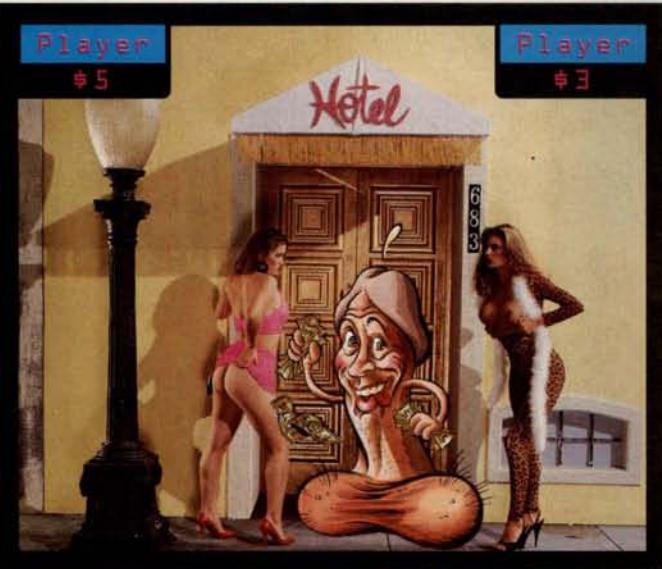

In days of yore, a trio of gorgeous, naked babes lounging together in three-part hairless harmony was not an unusual sight. Small wonder no one noticed that cable TV and the Internet hadn't yet been invented.

Three chicks with six bare boobs plus one bed equals \$150 to Bryan Back. Send ancient dirty pictures to HUSTLER's Porn From the Past, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

# Video Games Perverts Play

Tired of sitting around in a dark room all day playing with your joystick? Frankly, neither is anyone at HUSTLER. Utilizing cyber-optic, Silicon Valley tech-

nology (in other words, models with breast implants), America's Magazine developed a few mega-ram diversions that will make Donkey Kong go apeshit.

## STREET FUCKER

The time: The all-too-near future. The place: 42nd Street, New York City. The event: Whores from around the world battle to turn a \$50 trick with the one john who wasn't chased out of Times Square by Disney's urban-renewal program. Play against the computer, or join a friend for the Head-to-Head cocksucking competition.

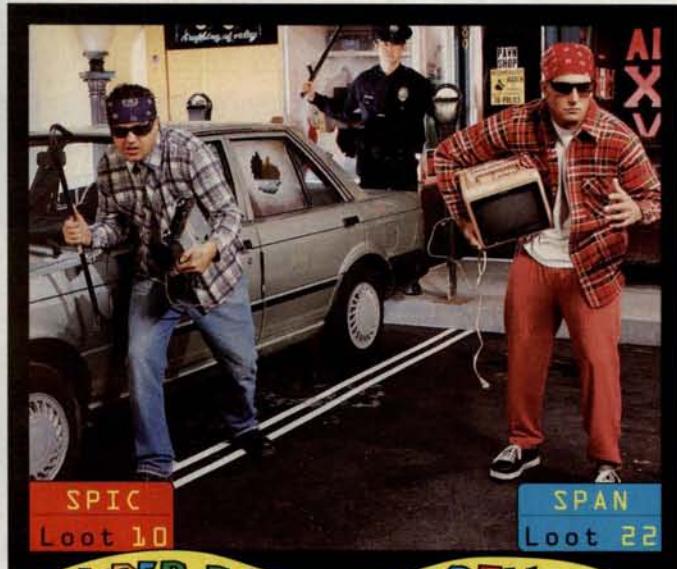

Available Summer 1996 for the Nintenho game system.

## MORTAL KUMBAT

# Two-Million-Dollar Muffs

**Remember 1976?** HUSTLER Publisher, Larry Flynt, produced \$1 million and a list of ten world-famous women (including Barbara Walters and Mary Tyler Moore). The seven-figure prize was offered to the first "Million-Dollar Muff" who dared to pose in a HUSTLER photo-set.

**Double for Doffing:** Two decades later, a million bucks isn't what it used to be; so Larry's back with \$2 million, and a brand-new selection of this era's intriguing female celebrities. The first candidate to open up and say "pink" for our photographers, posing HUSTLER-

style for publication in our fine periodicals, prances away with the jackpot. This is no joke, ladies! Part those downy thighs, and make HUSTLER history—not to mention \$2 million. Offer expires February 14, 1997. Any takers for the layout of a lifetime?

**COURTENEY COX**

Get naked, Courteney, and let's be friends. Two million bucks is a small price to pay for must-see T&A.

**SANDRA BULLOCK**

If this little minx wants to talk speed, wait until she sees how fast her birthday suit gets HUSTLER readers stroking.

**DEMI MOORE**

Supposedly, in her new film, Demi shows pubes. Here's a decent proposal, Mrs. Willis: Show HUSTLER your pink!

**ALICIA SILVERSTONE**

Get a clue, Alicia—add two more millions to the ten Columbia just forked over for your new contract.

**WHITNEY HOUSTON**

HUSTLER will always love you, Whitney, as long as you stop singing long enough to bare your brown sugar.

**MADONNA**

HUSTLER's photographers know how to make Madonna's spicy Italian cooch look like a virgin's.

**JULIA ROBERTS**

Hey, pretty woman, for a stellar career move, how about flashing your curly, auburn muff?

**CINDY CRAWFORD**

Forget about that trademark mole—Larry Flynt wants to see Cindy's beaver!

**LIV TYLER**

The daughter of Aerosmith's lead singer can reveal if she inherited Daddy's floppy lips.

**NAOMI CAMPBELL**

The super-model Brit loves to play dress-up. Play doctor with us, Naomi, and leave a bill for \$2 mil!

NOT A PARODY. WHICH ONE OF THESE LUCKY LADIES WILL STRUT HER STUFF FOR HUSTLER?

# FEED BACK

## You're Soaking In It

I'm disappointed that HUSTLER model Talore didn't have a manicure and pedicure (*Michael and Talore: Race Relations*, February 1996). I don't believe you would have photographed a woman of European descent in such a state. In spite of this minor complaint, I was aroused by the pictorial. However, subtle forms of photographic racism should not be condoned. If HUSTLER shoots a big, black buck riding a hillbilly farm slut with no manicure, then everything will be fair and square.

—J. H.  
Waynesburg, Pennsylvania

*What a special idea for a pictorial, J. H. Then again, it takes a special kind of guy to have the delectable, hot-pink walls of a bodacious black squack in his face, and only notice the chick's nail job.*

## Bullock's Buttocks

I would like to commend HUSTLER's "Asshole of the Month" for tastefully disrespecting that rich bitch Cindy Crawford (*Bits & Pieces*, February 1996). Don't get me wrong—I'd jump at the chance to plug her pleasure portals, but Cindy is too full of herself! I doubt even Ricky Gere got any of that \$6.5 million ass. I'm sure every man in his right mind would agree that Sandra Bullock is the true movie beauty. HUSTLER's profits would double if you printed a photo of Sandra nude, or at least wearing her skintight, black jumpsuit from *Demolition Man*. Either way, there would be a whole lot of stroking going on! In conclusion, I believe the 18- and 19-year-old females in HUSTLER get the most attention. More young stuff!

—R. R.  
Miami Beach, Florida

*Larry Flynt seems to share your opinions, R. R.; on page ten of this issue, Larry is offering Sandy and Cindy \$2 million each to make your dream come true. At the very least, page ten features a photo of the delightful Ms. Bullock to make you come. Don't forget HUSTLER's monthly magazine BARELY LEGAL for the best in sweet young things.*

## Beavers and Back Issues

I think HUSTLER is a great publication. You guys are doing a great job! As a new reader, I'm writing for information about ordering vintage back issues of the magazine. I'm also interested in obtaining copies of HUSTLER EROTIC VIDEO GUIDE. Keep up the good work.

—M. R.  
Camak, Georgia

*Michael and Talore: Race Relations*

Would it be possible for HUSTLER to publish an all-Beaver Hunt special? I sure do like them Beavers. Thanks for your time.

—J. P.  
United States Army

*For information regarding subscriptions, back issues or any of HUSTLER's sister publications—including HUSTLER EROTIC VIDEO GUIDE and BEST OF BEAVER HUNT—call 1-800-220-0314. Happy hunting.*

## Pussy Talk

Although I haven't read HUSTLER since the 1980s, I broke down and bought the new issue today. What a pleasant flashback! Alex Ebel's paintings of various vaginas (*Reading the Lips of Love*, February 1996) were first published in HUSTLER's classic March 1978 issue. Now that you've applied celebrity names to the "pussy personality types" of the original text, it means that Demi Moore is a "Fruitcake"; Julia Roberts is an "Intellectual"; Katie Couric is a "Cold Fish"; Drew Barrymore is a "Feminist"; Heather Locklear is a "Pushover"; Marcia Clark is an "Ugly Duckling"; Sandra Bullock is an "Apple Pie"; and Courtney Love is a "Nymph." In addition, Whitney Houston is an updated version of Diana Ross, and Phyllis Schlafly is the '90s version of Joan Crawford. But then again, we knew that already!

# FEEDBACK

(continued from page 11)

## Hard-Core Jollies

I am a 20-year-old college student, and I fell in love with HUSTLER two years ago—when I became legal. As I matured, my sexuality was enhanced by your publication, as was my curiosity of sexual venues. I am sorry to say that I started to experiment with other magazines at the adult-book store; namely, hard-core European publications. The stuff from overseas had its advantages, such as close-up pictorials of single, double and, yes, triple penetrations. Photos of explosive ejaculations aimed at the mouths of eager participants soon followed. One might ask, "What are you bitching about? You found something good; now go with it." First of all, such publications often cost \$20 or more—way too expensive! More importantly, HUSTLER's quality of models far outreaches anything that Europe—or the rest of the planet—has to offer. Maybe HUSTLER could show just a few penetrations to keep guys like me happy. By the way, I have noticed the proliferation of sperm in HUSTLER's recent layouts. Much appreciated. —R. H.

Kalamazoo, Michigan

Greetings from a reader in Cleveland. I have enjoyed HUSTLER over the years, but the magazine must return to being a leader—not a follower. Remember, HUSTLER was the first to show pink and the first with a pregnant centerfold. Lately, however, other publications have pulled ahead in outrageousness. For instance, CHIC pictorials often feature a girl actually sucking a guy's dick or pushing his dick, fingers or tongue into her pussy. I've even seen magazines that feature photos of hot girls peeing, and I know HUSTLER could do a better job. Maybe you could print a bride in a nice gown pissing next to her limo. Or a nurse peeing into her bedpan. Granted, an old issue of HUSTLER showed a gorgeous girl pissing in the woods with her skirt hiked up (*Beauty's Beast*, November 1978), but that was almost 20 years ago. Now HUSTLER's too predictable. You need to give some people a good kick in the ass. Please consider these improvements; I offer this advice as a concerned fan. —J. W.

Cleveland, Ohio

HUSTLER has always been so ahead of the times that the "cutting edge" usually is something Larry Flynt published 20

years ago. However, if hard-core outrageousness is what you seek, wait until you get a load of this year's model.

## Angry Jerk-Off

How about making 1996 a happy fuckin' new year by giving readers something worthwhile to choke a chicken to? As far as jacking off is concerned, the last few spreads in HUSTLER haven't been worth a palmful of warm jism. I'd just as soon you enlarge a few of the phone-sex ads and lay them out as a centerfold. Now that's something to pop a nut! —R. P.

Waxhaw, South Carolina

If the gorgeous gals in this issue aren't hot enough for you, R. P., maybe you need to spend a little bit more time looking at women, and a little less time calling phone sex.

## Happy Jerk-Off

I've been buying HUSTLER since 1991, when I joined the Marines. Your magazine sure came in handy! Melanie was the best HUSTLER model I've seen yet (*Melanie: Cut to the Quiff*, January 1996). I'd really like to see more of her. If there is a Melanie fan club, please print the address. —D. P.

Manteca, California

No problem, D. P. The address is 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211—right here at HUSTLER. Sure, there's no membership card or secret decoder ring, but all the HUSTLER folks think Melanie's the hottest thing in shaved pubes.

## The Elephant Men

Since 1978, I've admired HUSTLER's unique photo-layouts—especially the ones that feature women and animals. Please print a list of every issue that such a pictorial appeared in. Your magazine is still the best. —K. N.

Sacramento, California

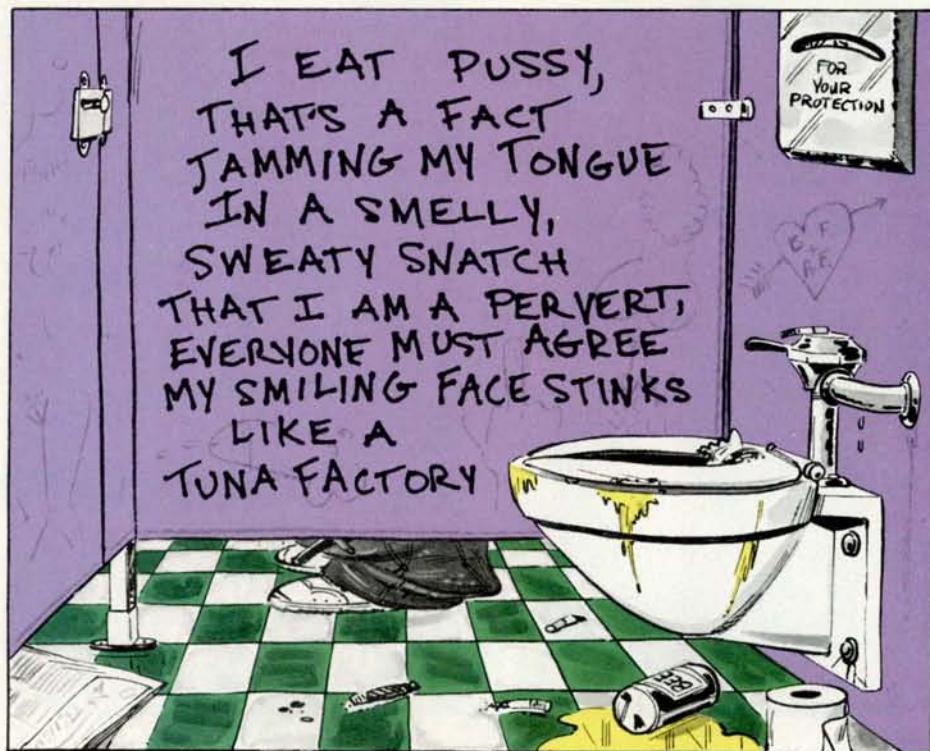

Granted, not all of HUSTLER's male models were the best looking or most well behaved back in 1978, K. N., but that's no reason to call them animals. As for photos of beautiful ladies coupling with furry quadrupeds—why, that's illegal!

## Hot 'n' Hungry

After discovering a slightly soggy copy of your magazine in the park, I couldn't resist subscribing. HUSTLER is hysterically funny and plenty dirty. As a bisexual woman, I love leering at all the

1996 Beaver Hunt  
Grand Prize Finalist #2

Mouth-watering Madison made an instant splash with us in more ways than one. The ink was barely dry on the 19-year-old model's *Beaver Hunt* entry—which appears in this very issue—when she was snatched from her home in Wichita, Kansas, and installed as *Beaver Hunt's* Grand Prize Finalist #2, lickety-split. But readers will have to wait to see if the tasty teen nabs the big trophy: *Beaver Hunt's* Grand Prize of \$5,000 and an expenses-paid trip to a glamour capital to shoot a *HUSTLER* pictorial.

Any girls eager to leave this Beaver in the dust? Don't dawdle. See *Beaver Hunt* (page 113) for details!

# FEEDBACK

(continued from page 14)

gorgeous ladies. More Asian and black chicks, please! I got a special kick out of Alex Marvel's article, *My Secret Hard-on: Men's Sexual Fantasies* (October 1995). The part about an anorexic ballerina who puts her ankles behind her ears while jerking off a date was not only a scream, but a tremendous turn-on. I'd really appreciate learning how to find more hot material about women with eating disorders; I'm sure many readers feel the same way. Maybe you could provide us with a few addresses and phone numbers. Thanks for the mammarys. —E. K.

San Francisco, California

*HUSTLER prefers healthy ladies who can keep a meal down, E. K. For malnourished walking skeletons, try your local fashion runway—where the girls tend to keep their scrawny bodies covered.*

## Come and Play

A few years ago HUSTLER advertised a whirling dildo machine. The cost was somewhere around \$1,300, and the results were supposedly nothing less than stupendous! Unfortunately, I can't find the company's address. Additionally, I'm looking for a very large, black dildo. My lover has a white one that's 18 inches long and eight inches round. She and I would like to find a retailer that offers a model at least 14 inches round. I'd appreciate your assistance with this order that's "hard" to fill.

—J. C.  
Des Moines, Washington

*It's probably harder to fill a hole that's been stretched by a dildo that's 14 inches in diameter, J. C. Nevertheless, check out HUSTLER's October 1994 issue for a definitive sex-toy guide, *Toys for Twats: The Curious Dick's Guide to Sexual Devices*, by the ever-popular Alex Marvel.*

## Molest We Forget

Whatever happened to your cartoon character Chester the Molester? —S. Z.  
Laurel, Maryland

According to *People* magazine's "Whatever Happened To..." issue, Chester now divides his time between duties as a Boy Scout troop leader and a Catholic priest. Seriously, S. Z., although cartoonist Dwaine Tinsley retired Chester long ago, you can still find Dwaine's outlandish art and irreverent humor in every issue of HUSTLER.

## Raunchy Rhymes

I hope you accept poetry:  
Perhaps you shall,  
if you are a pal.  
So here goes—  
strike a pose!  
Wham, bam,  
thank you, ma'am.  
I love your sex toys...  
maybe even boys.  
(I think not.)  
Is this too hot?  
I love HUSTLER's Honey,  
and I'm not going to rhyme money.  
Yes, February's Mia,  
I'd like to see ya;

But it's not to happen;  
so I'll keep on whackin'.

—S. S.

Daytona Beach, Florida

*Of your rhymes, HUSTLER is wary.  
"Maybe" you like boys; Are you a fairy?  
Well "maybe" if S. S. had the right idea,  
He'd also have a better chance with Mia.*

*Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication.*

## FAT FUCK

I had my tongue in this black chick's snatch, and my middle finger up her butt, when the thought occurred to me that I really need to lose some weight. All I do is sit around and eat junk food (or, in the case of the dark-skinned lovely pulling my hair and digging her fingernails into my back, soul food). The last time I saw the inside of a gym was my high school physical education class, which I failed. Granted, a double chin was good for collecting the pussy juice that bubbled out of my brown-sugar fuck mate's climaxing cunt, but something had to be done before my gut outgrew my eight-inch prick.

The answer came to me while checking out some blond bimbo's spandex-encased rump in the window of a local fitness center. Signing up for a membership could not only define my muscle tone and improve my cardiovascular response, it could also get my johnson sucked by some trim piece of ass in a sweat suit. That possibility alone was worth skipping my nightly ritual of eating an entire bag of cheese puffs while I watch Urkel.

After the first five minutes on an exercise bike, I was about ready to throw in my sweat-drenched towel. Hyperventilating, I dragged my 230-pound carcass toward the exit, only to be halted by a six-foot-tall, Amazonian brunet goddess.

"Where do you think you're going, sissyman?" she asked with a leering smile. In a flash, her sinewy arms wrapped around my midsection, and the hot-looking hardbody lifted me onto a nearby treadmill machine. A decent pair of knockers jiggled under her tight, pink halter top, cut to reveal a wash-

board stomach that made my beer belly all the more pathetic. As if to emphasize the point, she lifted my shirt and laughed, "You've still got quite a few sit-ups left. Let Jillian show you how it's done."

"No way, Jillian," I wheezed, collapsing onto a gym mat. "I wouldn't sit up right now for a triple cheese and chili fries." With a devilish smile, the long-legged Jane Fonda-wannabe pulled down her tights to reveal neatly trimmed black pubes.

"Maybe you need to get your mouth on something meatier," she giggled, squatting over my prone body. "Something like Jillian's fur burger." I must have turned a dozen shades of red, and nearly swallowed my tongue. Was this chick crazy? Sure, we were partially hidden by the weight-machine equipment, but any gym patrons who happened to look our way were sure to get an eyeful of Jillian's bare ass cheeks. And what cheeks they were: big and round, but firm; not unlike a delicious

pair of twin hams. As Jillian fingered the folds of her cunt to spread open her love tunnel, the display of hot-pink vaginal walls reminded me of cotton candy. Watching her masturbate just out of my reach was not only making me horny, it was also making me hungry. I decided a taste of cunny was worth the ultimate sacrifice, and exerted every last muscle in my body to bury my face in her beaver.

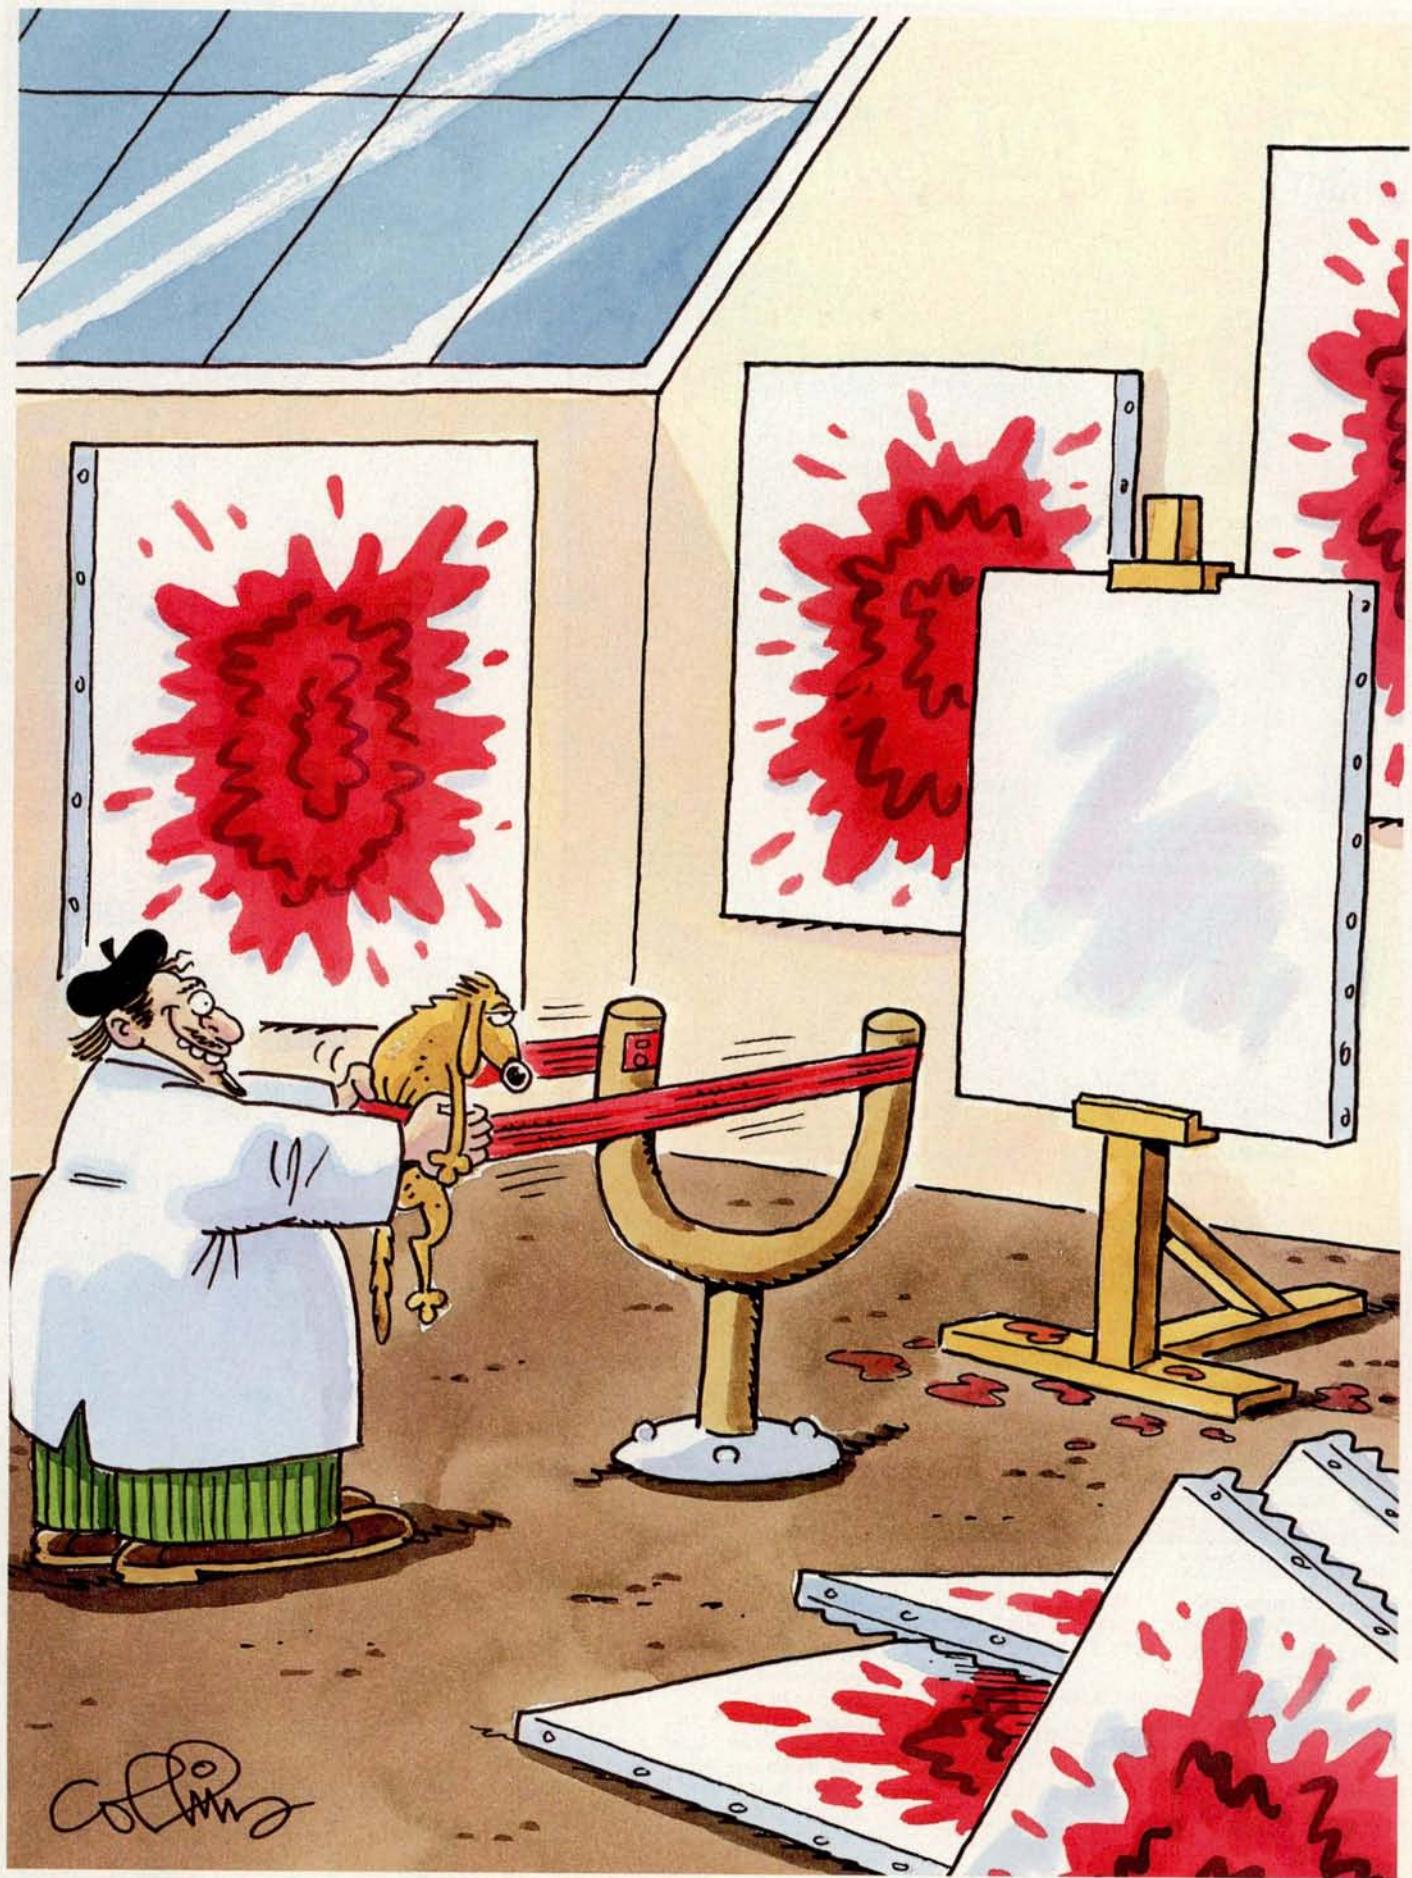

"That's it," moaned Jillian as my greedy tongue worked over her puffy pussy lips. The steaming musk that dripped into my mouth was overpowering. The whole room seemed to spin, until the strain of sitting up was too great, and my head plummeted back onto the floor. Jillian wasn't satisfied with my efforts, and she took out her disappointment on me by cruelly yanking my nipple. I howled in agony.

"No pain, no gain," sang Jillian sadistically. "And no gash, either." The powerful personal trainer grabbed a mittful of my hair and pulled my mug to her groin. Somehow the searing hurt of my scalp was quelled by the throbbing in my crotch. I grabbed Jillian's supple bottom for support, and sucked her clit in earnest. Suddenly, the domineering bitch melted away, replaced by a heavy-breathing, writhing sex kitten who purred in ecstasy.

Bending all the way back until her shoulder blades touched the ground, Jillian begged, "Finger me." I gently probed her hole with my middle finger, then slowly slid in three digits. The effect was like sticking a cattle prod into her cooch. Jillian spasmed wildly, bucking her clam against the loving assault of my hand and tongue. Now I had the lovely lady where I wanted her, and I celebrated by fumbling to free my erection. Jillian smiled approvingly and lifted her ankles around my head as I mounted the blissed-out beauty.

"Time for some push-ups," I grunted. My first thrust sank in deep, and a rippling sensation engulfed every inch of dick like a million electric volts. Jillian contracted and released her cunt muscles; she was even in good shape vaginally! With the drubbing I was about to subject her to, it was a good thing. Slowly, I withdrew, savoring every last tickle of her quivering sugar walls; then plunged back in and fucked at a ferocious rate. Jillian's back arched violently, shoving her halter top-encased boobs in my face.

BORDERLINE: St. Croix enters Celeste's paradise.

BORDERLINE: Knight tickles Tabitha; St. Croix looks for entry.

### Borderline

FULLY ERECT. Directed by Paul Norman; starring Celeste, Bridgette Monroe, Missy, Felecia, Toni, Alicia Rio, Tabitha, Nici Sterling, Alexis Devell, Madelyn Knight, Tiffany Million, Alabama, Jill Kelly, Steven St. Croix, Tony Montana, Guy DiSilva and Bobby Vitale. Videocassette: Vivid.

As the opening credits roll, an iron bed clanks to the rhythm of Steven St. Croix pounding Tiffany Million, who scrunches her face, balls her fists and begs to have her ass plowed; plow it he does—good, hard—then pulls out to lather her tits and face with ball suds, leaving the blond wanton facedown on the bed, exhausted in the dazed afterglow of a thorough fucking. Filmed on a well-lit, beautiful set, the sequence flows with the creamy smoothness of a wet cunt. This is just the beginning. What follows is the star of the film, Celeste. The sexual heat of this celestial beauty raises meat thermometers even before she opens her lovely mouth for its first dick offering. St. Croix jams his man sausage far down the charming brunette's throat, and her tits bulge out even further with each deep-throated penetration. Celeste's sopping cunt squishes as St. Croix shoots his flesh arrow between her squirming legs. He pops out and drenches her honey-toned skin with testicle spray. Slurping, Celeste smacks her lips against the puffy, pierced labes of a bright-eyed Latina in a maid's costume. Like one continuous orgy, Celeste and a dozen chicks, all beautifully built, suck and fuck their way through Mexican dungeons, street festivals and hotels. Highlights include high-class bitches, tied up and suspended from rafters, getting their buttholes reamed; feverish lesbian pileups; and the faces, crotches, tits, butts, necks and legs of lovely slatterns cum-sprayed from cunt-and-mouth-moistened rods. *Borderline* suffers from only one flaw: It ends.

—Mack Assarian

## Beaver and Buttface

FULLY ERECT. Directed by Buck Adams; starring Kelly Jaye, April, Holly Body, Jessica James, Rebecca Lord, Tony Tedeschi and Buck Adams. Videocassette: Sin City.

Porn acting usually falls apart the moment the actor speaks a line. Not so in *Beaver and Buttface*. Buck Adams and Tony Tedeschi take on the roles of horny, illiterate morons, Beaver and Buttface—based on famous cartoon characters—and play them to moronic perfection. Arriving at the women's locker room of a college, Tedeschi—as Buttface—mistakes French-speaking Rebecca Lord for a Spanish exchange student and bumbles into his first blowjob from the dark-eyed tart, ending in a shower of nad spray across her silky, furred mound. Cool. A series of choad-churning vignettes follows: A blonde tail-nailed by a fat, sphincter-smashing cock, a DP of another blonde, and a bizarre whips-and-togas orgy that ends with a lesbian slave wench licking rivulets of cum off a sweating, panting whore-faced blonde. Beaver and Buttface join in on a three-way pileup of gorgeous ginches; much sperm is sprayed. A brunette appears with great sacks of silicone hanging from her body; Adams, laughing pathologically as Beaver, sucks on her gargantuan thingies, bends her over and slams his dong deep into her turd chute. Watching this film will inspire many to follow Buttface's oft-repeated advice: "Go spank your monkey."

STREETS OF NEW YORK 5: Public perverts with a dildo.

## Carnival

ONE-QUARTER ERECT. Directed by Stuart Canterbury; starring Jill Kelly, Sindee Cox, Nancy Vee, Kimberly Kyle, Joey Silvera, John Decker, Heather Lee, Darcy McDaniels and Tom Chapman. Videocassette: Paradise Visuals.

In the grand, underhand tradition of circus sideshow scams that promise one thing and deliver a blatant fake or a disgusting travesty, *Carnival* is two parts false advertising, one part passable tawdriness and the last quarter revoltingly ugly. Taking place in a midway freak tent, *Carnival* features Joey Silvera in the Ron Jeremy role as irritating emcee. Some chick with breasts as false as Bob Dole's modesty and copious suspect tattoos gets fucked in an ordinary way with a big splotch of semen shot between her tits. A chick is holding a big snake. She puts the snake away and gets physical with the strap-on dong of a brunet ginch who has a ludicrously false beard and mustache glued to one half of her face. Laugh at the sight? Perhaps. Shoot a load? Never. A chunky reddish head goes 69 with a roustabout stud and takes him in her ass; Silvera is treated to a nice Jill Kelly smile after he splooges on the honey blonde's organic, mid-range tits. A big fat broad gets naked with an unfortunate dick to give the tape a painful ending, but most viewers will quit before then. The box copy promise of "And now for something completely different" is just another cover for the same old schtick.

## Streets of New York Volume 5

HALF ERECT. Directed by Neville Chambers; starring Barbie Brookes, Heidie Vön Hunter, Nicollina Foxx, Roxxi Raye, Joe Louis, Shay and Chad. Videocassette: Pleasure Productions.

Outside a Manhattan meat market Heidie Vön Hunter, blond hair falling past her pillow ass like a ratty silk curtain, slams long-legged lezzie Roxxie Raye against a concrete wall, jams face into crack and laps up backside and labes like a thirsty dog. This flick was shot outside, in broad daylight, on the busy, cop-filled streets of New York. Outside the Javits Center, Barbie Brookes lets her pal Chad fuck her from behind, then squats over a pile of trash to take a load of spunk on her natural cupcake whammies. Beefy Joe Louis leads the maniacally cheerful and talkative Nicollina Foxx onto a rooftop and quiets her by fucking her mouth until it's frothy with drool. After stuffing her turd rings with trouser meat, he face-sprays the whimpering Foxx. Far at the edge of the frame a stray dog watches the mating humans and wags his tale. Viewers at home might find themselves wagging their meat tails to *The Streets of New York*, though some of the ginches have faces as hard-edged as the mean streets they get pounded upon.

# BOBBITT IS BACK,

**BIGGER  
AND BETTER  
IN FRANKENPENIS!**

FRANKENPENIS: Nina Anderson with Bobbitt, before or after?

John Wayne Bobbitt's penis has gone under the knife again. The unstoppable ex-Marine braved a surgeon's scalpel to undergo a penis-enhancement procedure to add meat to his world-famous schlong.

Length was increased by snipping a ligament at the base of the penis, allowing the wounded wand to extend further when erect. Circumference was enhanced by injecting fat removed from the patient's lower abdomen by

liposuction. More than two inches were reputedly added to the length of Bobbitt's rod and an inch to the circumference.

Bobbitt, who prides himself on his training as a "perfect combat warrior," sought to turn his cock into an ideal assault vehicle for penetrating the flesh ramparts for his mission in Leisure Time Entertainment's XXX action film *Frankenpenis*, released this January.

## Reader Contest: Win a Butcher's Knife Personally Signed by John Wayne Bobbitt!

In the photos above, Bobbitt's penis is about to have spit-and-polish performed by babes Lori Wagner (blond) and Nina Anderson (brunet). One photo was taken before Bobbitt's cock-augmentation surgery and the other after. The first ten readers to correctly identify which photo features the bigger dick will win a collector's item butcher's knife, personally autographed by John Wayne Bobbitt, courtesy of Leisure Time Entertainment. Mail entries to: Bobbitt Cut Contest, HUSTLER

Erotic Entertainment, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

## Batbabe

*HALF ERECT*. Directed by Stuart Canterbury; starring Kia, Kaitlyn Ashley, Nancy Vee, Kimberly Kyle, Channone, Ruby Richards, Sean Rider, Mike Horner, Alex Sanders and Kyle Stone. Videocassette: Hip Video.

There's no law against sucky acting in porn movies, but in a spoof such as *Batbabe* where the sucky acting is accompanied by sucky jokes, the whole movie takes on a sucky feel. What holds the viewer is Kaitlyn Ashley. Her face—kitteny, carnivorous, ecstasized with sex—sizzles with the full range of rapturous, sexual emotion the moment her sly lips curl and purr for *More, more, baby; give it to me some more*. Obeying the flesh imperatives of Ashley's wet cunt, Alex Sanders liberates her tightly packed tits from a leather restraint, fucks her lascivious mouth until sputum runs down her chin, pulls apart the big, flopping petals of her cunt lips and rams in. Ashley lies prone, gasping for air, sweat rolling freely down her well-mauled titties, her butt reamed with long, leisurely strokes from Sanders's merciless cock. This bravura performance is followed by a bondage-themed prison dyke-and-dildo duel and Mike Horner's marathon dick-slaying of a curvaceous redhead whose face cringes deliciously each time Horner plows mouth, clam or tightly clenched shit exit ramp. The sheer sexual bravado of the actors saves *Batbabe* from being a big, yawning batbore. —M. A.

BATBABE: Kyle gulps ball beverage from meat straw.

PUSSYMAN 12: Tammi Anne's tasty fish-and-finger pie.

## Pussyman 12

*THREE-QUARTERS ERECT*. Directed by David Christopher; starring Misty Rain, Caressa Savage, Jill Kelly, Davia, Tammi Anne, Keisha, Felecia, Rachel Love, Cindy Coxx, Holly Body, Jon Dough, Alex Sanders, Peter North, Will Divide and Pussyman. Videocassette: Snatch Productions.

A stacked secretary sashays into her boss's office, drops a sheaf of papers on his desk and announces that she has no underwear on. She pulls up her dress to show off the chains and baubles hanging from her ornamented cunt lips before shoving a talking dildo up her love canal. "Do me more. Do me harder, baby," the dildo commands from a small plastic speaker located on the handgrip. Jon Dough's rotund dong fills the screen. The head of a blonde chases it with her lips. The blonde has big round rings pierced through her big wide nipples on her big fat tits. By the time Dough is done tooling her mouth and nookie, the sweat of good honest fucking rolls from her tits to her tummy to the tattoos on her nasty ass. Two blondes and a brunet strumpet swap snatch juice on a staircase; Peter North blows a ball geyser all over a cunt-licking blonde's ass with enough splooge left over to hose down a nearby brunette's mug and jugs; Keisha displays her talent as a dick-sucking slut in some dude's moving car; darling Davia squeaks like a mouse, and has her crapper rammed and pummeled by a fist-sized cock. A no-nonsense fuck flick, *Pussyman 12* is sure to get plenty of applause—hand-to-dick style. —M. A.

## Gangbusters

HALF ERECT. Directed by Jim Enright; starring J. R. Carrington, Lennox, Dallas, Bridgette Monroe, Jessica James, Tony Tedeschi, Steven St. Croix, T. T. Boy, Peter North and Ron Jeremy. Videocassette: VCA.

The first disappointment of *Gangbusters* is that, despite the word *gang* in its title, the flick is not a gang-bang feature. Although the makers of *Gangbusters* certainly were not deliberately misleading their potential viewers with their inadvertently evocative title, some of us will take a while to get over our initial letdown, and when we do recover, it is only to be dejected again by the realization that *Gangbusters* is a period-piece costume drama set in the time of prohibition and gangsters with porn studs and starlets acting straight-faced and serious in spats and suits, with a condom being part of the wardrobe in every ride.

Historical accuracy is sacrificed on one detail: Almost every female tit in *Gangbusters* is silicone-stuffed. Despite four well-aimed facial cum-shots, this tits-and-gash retelling of *The Sting* is mostly a bust.

—C. S.

GANGBUSTERS: Bridgette Monroe rides Tony Tedeschi into her next climax.

## Shameless

HALF ERECT. Directed by Wesley Emerson; starring Jill Kelly, Melissa Monet, Kirsty Waay, Missy, Patricia Kennedy, P. J. Sparxxx, Vince Vouyer, Tom Byron and Dave Hardman. Videocassette: VCA.

A candid, cynical and pleasurable carnal look at sexual infidelity in monogamous relationships, *Shameless* features titties that are mostly free from surgical augmentation, two cute blondes (Jill Kelly and Missy), a pair of sultry, sensual, Mediterranean-type plush tarts (Melissa Monet and Patricia Kennedy), a dick-licking, ass-activated tomboy (Kirsty Waay), the ever-proficient and prurient P. J. Sparxxx, a plunge of anal penetration, a few satisfactorily sloppy applications of cum to girls' faces and a dollop of wad landing plop on the distended asshole that worked it out. *Shameless* meets the basic industry standards, and that's nothing to be ashamed of.

—C. S.

SHAMELESS: Monet hangs her masterpiece mouth on Kelly's lips.

## The Doll House

HALF ERECT. Directed by Fred Lincoln; starring Lisa Ann, Michael J. Cox, Johnny Prober, Jen Teal, Jon Dough, Liam Mulhall, Patricia Kennedy, Amber Woods, Alec Metro, Tom Byron, Josef Rabi, Hank Rose, Frank Towers, Ron John, Franco Armani and Daniel Elmslie. Videocassette: Cal Vista.

Not to be confused with *A Doll's House*, a dreary Henrik Ibsen play which explores marital strife, *The Doll House* is a porn flick by Fred Lincoln that, while depicting the stresses and strains of a husband and wife, promises to end with a gang-bang, and does not deliver. Brunet doll-face Lisa Ann's taut, tawny blow-up-boobs body carries the lead female role, playing with dolls, investing these toys with human characteristics illustrated by real-flesh couplings of porn performers. Lisa Ann accepts wad from a muscle-bound beach man who eats her ass before his rod spits jizz. Lisa Ann's smooth-shaven, tidy-lip trim is a delectable snack to a saucy chestnut blonde's limber, hungered lust. Jon Dough takes a sweet, cute blonde up sodomy way, pulling out of her shitter to shoot on her pink lips; and Patricia Kennedy, in a scary black-rubber corset, dominates a mook by wrapping her shitter lips around his prick and taking its shot on her metal-pierced tongue. The final *Doll House* scene has Lisa Ann walking into a bar where about eight guys, all listed in the credits, are waiting as if to group slop her. She takes a two-man plugging of her fore and aft, and the tape ends, which is no way to play with dolls.

—C. S.

THE DOLL HOUSE: Lisa Ann makes a mess with Jen Teal.

## JAPANESE SEX ATROCITIES: X-RATED AND ANIMATED

Swords, sorcerers, morphing demon cyborgs, virtual worlds of mass destruction, contemporary fables of oppression by evil master forces, battle and deliverance by the good and pure warrior, all set to a loopy technodisco soundtrack with characters barking at one another in Japanese. Aside from such flashy filler, the current tsunami of adults-only Japanimation videos is chock-full of brazen hard-core, full-penetration scenes of nubile, golden-skinned sylph women being raped orally, vaginally and up the butt by creepy, powerful monsters that, like extensions of a dark, amorphous, deeply disturbed imagination, slide their gnarly tendrils beyond the panties of innocence and stir up the sugary vaginal froth within. The effectively lifelike animation gets away with

showing erotic brutality forbidden to real-flesh filming, and a squishy gush of girl flesh fills the ear, which, along with other protruding organs, grows increasingly tumescent as the cartoon progresses. *Adventure Kid*, *Demon Beast Invasion*, and *La Blue Girl* are a few of many spunk-sprinkled morality tales available at video stores everywhere, or contact Central Park Media, 250 West 57th Street, Suite 317, New York, NY 10107.

ADVENTURE KID: Cartoon gang-bang.

INVASION HIGH SCHOOL: Scrumptious ink whammies.

LA BLUE GIRL: Animated lezzies.

P. K. AND COMPANY: Kennedy's snatch is a juicy, pleasant chew.

## Cock Buster Video Store

ONE-QUARTER ERECT. Produced by Toshi Gold; the two women and three men performing are not credited, nor is any director. Videocassette: Astral Ocean Video.

The box cover of *Cock Buster Video Store* claims that the crap inside, "previously banned in the U.S.A.", is presented in "the original language and unedited Hungarian edition." In any language, this tape is a piece of merde. This garbage looks as if it were bought sight unseen in a lot of discards from underdeveloped countries of the former Soviet bloc. Some brunet slut, who's really only a scag from certain angles, works in a video store. A guy comes in to browse and porks her hairy box upon a blow-up mattress on the floor. The action, three more torpid sex scenes, never leaves this room, although another blow-up mattress is brought in for a side-by-side pair of couplings. The dialogue, in its original Slavic tongue, is dubbed over with irritating Cockney accents, giving two conflicting dialects at once, both saying, "Cheap and shitty!"

—C. S.

## P. K. and Company

HALF ERECT. Directed by Ernest Greene; starring Patricia Kennedy, Sarah Jane Hamilton, Sean Rider, Jake Steed, Guy DiSilva, Luc Wylder, T. T. Boy, Vince Vouyer and Dave Hardman. Videocassette: Soho Video.

In the Trobriand Islands of the South Pacific, a popular chewing gum was sold under the brand name PK. Aside from providing a juicy, pleasant chew, PK gum was stickier than most. PK soon entered the island lexicon as a word meaning "good and sticky." Appropriately, the P. K. in *P. K. and Company* stands for Patricia Kennedy. Aside from being a juicy, pleasant chew, Patricia Kennedy gets good and sticky for the seven studs in this gang-bang film. A lone female, Kennedy circles the room chomping her mild overbite onto each of seven cocks before lying back for a free-for-all. Every prong takes turns plugging her smile and spearing her clam. Her grin turns to a grimace when a couple of dudes spread her bottom for a DP, which leaves her moaning when T. T. Boy parks his fat putz in her colon. A round of glowing joints blow testicle smoke on Kennedy's face: She got PK mouth. She got PK cunt, and she got PK butthole, but there's just not enough action to glue a viewer's eyes to the screen. —E. W.

## Cyberanal

THREE-QUARTERS ERECT. Directed by Mondo Tundra; starring Vanessa Chase, Rocco Siffredi, Ron Jeremy, Sunset Thomas, Juli Ashton, Nicole Lace, Kelly Trump, Caressa Savage, Eden, Jon Dough, Mark Davis and Zachery Addams. Videocassette: VCA.

Despite taking too long before the interesting action gets started, oddball costuming that distracts from the sex in motion, and Ron Jeremy in both speaking and unclothed roles, *Cyberanal* is a largely successful pornographic entertainment, primarily because of the nut-busting appeal of slinky, saucy Vanessa Chase. Chase is a short-haired, bubble face brunette with bippity-boppity medium-size organic breasts, a slim, smooth-skinned torso with sleek lines and a candy-pillow ass which seasoned porn studs are drawn to eat out of, tongue to brown winker, followed by dick into the tight-ringed stinker pit. Vanessa Chase grunts sex. When she takes a dump, her piercingly expressive face must be jerk-off fodder. Chase takes many reverse dumps in *Cyberanal*. While dicks the size of a big man's most bulked-up turd slide easily toward her higher colon, Chase's exquisite grimaces and endearing yelps tug a viewer's sympathetic reflexes, his hand goes to his hard-on, and Vanessa Chase goes to his memory bank of guaranteed cum-shots. —C. S.

CYBERANAL: Davis tail-nails Eden while Siffredi sips from her udders.

around while impaled on my member. She offered me a stunning rear-view that gave me newfound fucking vigor.

"Suck my tits, but not too fast," she begged, "or I'll get off immediately." Hell, what did I care, as long as I got to jerk off on her face. I tore at the cheap pink fabric that shackled her chest and was delighted to find a pair of major-league yabbos that looked much bigger bare. Her nipples were rock-hard and somewhat reminiscent of Vienna sausages. I ignored the rumbling in my stomach and chewed on Jillian's milk spouts. Sure enough, her eyes rolled back in her head, and her loins gyrated against my shoving thighs at an alarming new frequency.

"I told you not to do that, you fat bastard," Jillian moaned, lifting herself to shove her tongue down my throat. In one swift, collegiate wrestling-style move, she pinned my shoulders to the mat and humped her voracious hole up and down my long rod. The strange contortion of ecstasy and rage on her face made me all too aware of the fact that Jillian could snap me in half. That's just what she seemed determined to do as she bucked all her weight against my lap.

At the point of climax, Jillian cried, "Jesus fucking Christ," and then unloaded a string of profanities I don't even feel comfortable repeating in this publication. Her fingertips titty-twisted her own nips, thank goodness, and then dug deeply into my shoulders. With her pliable limbs, Jillian was able to stretch out her legs in a gymnast's split. To my amazement, she corkscrewed on my cock, turning her entire body around while impaled on my member. She offered me a stunning rear-view that gave me newfound fucking vigor.

"I know you already came, honey," I panted, pulling out of her honeypot and pressing my dick head to her rectum, "but a seat this perfect begs to be seared." As my snake snuck into her sphincters, Jillian shuddered and gasped. Concerned, I asked if the anal intrusion hurt.

"No pain, no gain, goddammit," she spat through clenched teeth. "Hurry up and fuck my ass. I feel another orgasm coming on." That was all I needed to hear. I slid my greasy dipstick in and out of her shitter in slow and steady strokes. Jillian was forced to get up on all fours in order to bear the brunt of my butt-fucking. She met my every thrust and parry by lifting her tocas higher. I simply dug my hands in tight and enjoyed the ride.

"You got me ready to blow," I roared. Jillian wiggled away from my clutch, and uncorked my prick from her bung with a

popping sound. Nimbly, she dove between my legs and licked my balls. The ensuing twitch and rumble alerted her to the geyser of jungle juice that threatened to rain down on her head like lava flowing from a volcano. She lapped at the torrent of semen in euphoric, gentle tongue-strokes that coaxed even more wad than I knew I had. Watching her feast on sperm reminded me I hadn't eaten a full meal in hours.

"Hey, Jillian," I whispered. "If you'll split an anchovy pizza, some onion rings and a platter of chicken wings with me, I just might fuck you up the ass again later tonight. If you're lucky." She cocked her jizz-coated face at me like a curious dog.

Then she punched me in the stomach and threw me out of the gym. That's all the more pizza for me.

## MAIN DRAG

It all started as a big joke between me and my buddy Chick. Next thing I know, I'm on national television in a dress, with the words BOBBY: DRESSES IN DRAG AND CAN'T TELL HIS WIFE under my face. For half an hour I sat there and tried not to crack up as I fielded typical trash talk-show questions from the fat-cow

hostess. Then some morons in the audience took turns praying for me, and Chick even stood up and called me a fucking faggot. This was our best prank since the time we stole the statue of Bill's Burger Boy and soldered on a giant horse cock.

After the show, most of the guests crowded around the dumb microphone-wielding yenta for autographs, but not me. I wanted to meet SARA: ANAL SEX NYMPHOMANIAC STUCK WITH IMPOTENT HUBBY. The tall, striking blonde with giant cans seemed approachable; she was tucked away in a corner of the set, violently masturbating.

"I don't mean to interrupt," I said, working my way up to a killer opening line, "but what you said out there really moved me. My wife won't let me within a mile radius of her asshole, and... [I choked back a few sobs] ...I feel your pain." Sara's wild, green eyes lit up, and she actually stopped whipping her clam long enough to take me by the hand.

She pulled down my silk panties and, marvelling at the girth of my crank, cooed, "I knew you weren't really a faggot." The day's incessant chatter finally came to a halt when Sara plugged her breather with my schlong. Slurping slowly down the dick's length, she re-

# Hot Letters

(continued from page 37)

**Bobby! Go, Bobby!" Encouraged, I mashed her mams together and plowed the breast valley.**

sumed her twat-diddling, and stopped every once in a while to suck at her slit-slick fingers. She was one horny mama, and if her husband couldn't supply a hard cock, I was more than happy to bring home the bacon. My erection raged to fullness at the very thought of entering Sara's lower depths.

First, I wanted to check out the massive hooters that had drawn my eyes away from the cameras so many times. "Take off your blouse," I demanded.

"You take off yours," Sara choked out between mouthfuls of my sex. That seemed fair. I tore off my clothes, careful not to wrinkle the skirt my wife had pressed that morning, and fucked Sara's face even as she tugged at her bra straps. When her two fleshy majesties spilled out, I almost fainted at the mountains of creamy pink sweater meat. I had to rub my dong between them before I exploded. Employing every ounce of self-control in my body, I managed to slap my ham against her chest, and stroked her titties gently with my rigid wand. Sara's nipples rose for a standing ovation, and seemed to cry, "Go, Bobby! Go, Bobby!" Encouraged, I mashed her mams together and plowed the breast valley.

"I'm ready for you," groaned Sara. "I want your fingers in my pussy and your cock in my hot ass." I decided to keep things interesting by giving her the opposite of what she asked for. Laying Sara on her side, I straddled her from behind and seared open her gash with my shaft. I followed up each nudge into her womb with a saliva-soaked finger in the bum. As I predicted, she went wild and grabbed my balls for ballast.

My hand that wasn't exploring Sara's colon mauled her flopping jugs, tweaking at the tops and squeezing hard enough to make her scream. I continued my pounding as Sara's snatch grew ever wetter. Soon, the spillover of natural lube had her sphincters primed for my baby's arm. I eased off her cunt, teased her taint with the tip of my dick, then slid into Sara's butt with nad-churning ease. She immediately became orgasmic, and thrashed under my butt beating. Each pummel drove Sara to a new plateau of hysteria. I wedged in deep and fused our mouths together, exploring her oral cavity with my tongue. A finger in her poon saw Sara's every crevice jammed with my being.

"Oh no oh no oh no," she babbled. "Here I come, baby!" Sara's shitter clenched like a vise, and her entire body stiffened. The friction of her ever-tight-

ening booty burned my choad into orgasm. I leaned back and howled as cum gushed out of my rocket and into Sara's bowels. The gooey wetness loosened her up again, and I dipped in her sperm depths with a few more strokes before retracting.

"That was great," she sighed, wiping my splooge off her bottom. To my horror, I realized she was cleaning herself with my brand-new blouse! I screamed and tore it out of her sticky hands.

"Jesus," gasped Sara, surprised.

"Don't be so uptight!" I glowered at her, checked my makeup in a nearby mirror, and stormed out.

I mean, fuck that bitch. Now, each night when I put on a dress and fuck my wife in the rear, I'm so glad I ended up with a woman who appreciates a nice outfit.

# Guilt-Free Infidelity

## Married Men and Prostitution

By Roberto Santiago

*Bob, a 38-year-old accountant, eagerly answers the knock at his hotel-room door.*

*Finally, he thinks. When he opens the door, he is not disappointed. The woman before him looks just as she was described over the phone: tall, thin, young, Swedish-German with blond hair and über-long legs. She introduces herself as Christina. Within minutes they are in bed, where Christina lovingly takes Bob's seven inches down deep and pulls back achingly slow.*

*This feels better than any pussy I have ever fucked, is the closest thing Bob has to a thought as Christina works his cock with her tongue and the muscle of her mouth. Fading from Bob's memory are the dry flicks of the tongue that his wife of ten years, Karen, periodically bestows upon him—on his birthday, for instance, and their anniversary.*

*Bob's dick pulses and tightens, about to explode. He comes with a blast of hot jizz, as violently as he did as a college student, many moons ago.*

*After Christina leaves—which is almost immediately—Bob calls Karen.*

*"How were your meetings today, darling?" Karen asks.*

*"Wonderful," Bob replies. "I'm just kicking back now. I miss you, honey. I can't wait to see you tomorrow."*

*"I can't wait either," Karen coos.*

*Bob hangs up and reflects on how lucky he is to have a wife like Karen—and access to the anonymous, therapeutic mouths and cunts of hookers.*

\* \* \*

Mike, a 46-year-old Chicago engineer, has been married for 12 years and has one child. He says he has a strong relationship with his wife. But the first thing Mike does when he settles into a hotel room during a business trip is open the *Yellow Pages* and turn to the escort-services section.

"I don't consider what I do cheating on my wife," Mike avers. "I do this simply because I want to fuck other women, without the deception and emotional commitment that an affair would entail. I would never have an affair. That would be wrong. The act of paying for sex is anonymous and purely physical. It's like masturbating, but instead of having a magazine, you have a woman."

"Hookers don't do anything better than my wife," Mike adds. "But they are different. Their pussies feel different. Their breasts feel different. Some are real young—college age. Some are black, Hispanic or Asian. The excitement is the newness, not a particular sex act."

According to the Prostitutes of New York (PONY), most men

who frequent hookers are like Mike—married men over the age of 30 who do not consider what they do cheating on their wives.

"Working girls don't consider what we do cheating either," notes PONY member Tracy Quan, one of the nation's most outspoken advocates for prostitution. "Most of us have boyfriends or husbands and, like the men we service, we separate the two. For us, it's a job; for them, it's a form of marital therapy."

Going to prostitutes, Mike argues, is safe. Condoms are mandatory for both oral and straight sex, and are removed immediately after ejaculation. Anal sex is a no-no. In addition, Mike patronizes only escort services and in-call, apartment-house bordellos. He would never cruise the streets for a hooker.

"Only an idiot would go out on the street for a hooker," he declares. "It's dangerous and sleazy. You can get robbed or arrested. It's cheaper getting sex on the streets, but the risks aren't worth it."

Like Mike, Fred, a 38-year-old Boston accountant, would never seek sex on the streets. Married for ten years, Fred lives in a comfortable home with his wife and three children. He started patronizing callgirls after a year of marriage.

Fred says he goes to escort services because he gets horny and it gives him a quick fix, no different than smoking a good cigar, sipping a glass of fine wine or buying courtside seats at an NBA game.

"I would feel guilty if I went to a real woman," he says. "Having an affair would be disrespectful to my wife. Hookers are safe. They don't talk. You don't know them, and they don't know you."

Fred claims that hookers have saved his marriage.

"My wife is not very good at giving blowjobs," he reveals, "and doesn't particularly like giving them. We used to fight about it all the time, and it put a strain on our relationship. Then, a year after getting married, I figured divorcing her over the issue of blowjobs would be silly. I love her. That's when hookers came into my life. Now I don't pressure my wife into oral sex anymore."

Kent, a 61-year-old Houston attorney who has been married for 29 years and has two grown children, says that he originally thought there was something wrong with him when he wanted to fuck women other than his wife.

"It was either go to a hooker or have an affair," he relates. "I called an escort service because I was afraid of going out on the streets. I'm glad I did. It turned out to be a fun experience."

Kent says that through escort services and apartment-house bordellos, he has been able to fulfill his sexual fantasies. He finally was able to sleep with a black woman, and he recently hired a black woman and a Chinese woman for a ménage à trois.

"In the real world, arranging a threesome with a young black and a young Chinese woman would be impossible for an old white guy like me," he concedes. "But with prostitution, for just \$300 I can live out a fantasy and never get caught."

**Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.**

# Sex Play

"Hookers give me energy, make me feel young. My excess sexual energy is taken care of elsewhere, and I come home relaxed and as happy as a clam."

Kent says the women took charge.

"They slipped a condom on me, and both sucked me," he recalls. "Then the Chinese girl rode me while the black woman let me suck her big tits. They switched, back and forth, back and forth. The black woman pulled off my condom and rubbed my cock between the cheeks of her ass while she straddled me. It felt like I was in her pussy. When I came, I almost screamed. My cum went all over the black girl's ass, and the Chinese girl rubbed it into her skin. It was just like the movies. I was so spent, I almost passed out."

Mike, the engineer, also appreciates the fantasy element, but he leans toward a more all-American look.

"I guess fashion-model-thin blondes with big tits are what we were raised to like," he allows. "My wife is a brunette. But to me, blondes have always been the Rolls-Royce of women: great looking and a fun ride—but you need a lot of money to own them. Give me a blonde, and that is when I come my hardest."

Accountant Fred, on the other hand, favors Hispanic women with brown skin and blondes with long legs.

"There's magic when a dark woman or a blonde with long legs sucks your cock," he raves. "They make you come with just their mouths—with these deep, long sucks."

"I love my wife and have great sex with her, but there is nothing worse than feeling as if your life is passing you by when it comes to sex," says Kent. "Hookers give me energy, make me feel young. I don't stare at my secretary's blouse or waste money on topless bars or bring pornography into the home. My excess sexual energy is taken care of elsewhere, and I come home relaxed and happy as a clam."

Such attitudes do not sit well with psychotherapist Dr. Judy Kuriansky, author of *Generation Sex* (Harper Collins, 1995).

"It is so typical of men to claim that because money is being exchanged, they are not cheating on their mates," says Kuriansky. "The act is the same. It is no different than if they went into a bar and had a one-night stand with a girl they picked up."

"And it is dangerous. Condoms decrease the chances of getting a sexually transmitted disease, but what if the condom tears or loosens? Prostitutes have sex with hundreds of different men and get infected with something sooner or later. And what about crabs, genital warts and other things you can get without intercourse? Men who go to prostitutes are showing that they do not care for their wives."

Kuriansky argues that a married man who insists on sleeping with other women is not making the effort to create a better sex life with his wife and is emotionally distant from her.

"Most of these men are usually insensitive to

the sexual needs of their wives," she maintains. "They get bored with sleeping with the same woman because they refuse to make a spiritual, emotional and physical link with their wives. That is real sex. And once you have that, sex is always exciting and new. But men who disconnect the physical and the mental are just making excuses for their own insensitivities."

Fred, Mike and Kent all strongly disagree. They contend that their sex lives with their wives are good, and argue that sleeping with hookers has improved their sex lives at home.

"I appreciate my wife more," claims Kent. "I no longer have to fantasize when I see a hot girl on the street. I know that if I want that, I can get it with some cash and a phone call. But my wife? That is sacred. The sex I have with her is love. The sex with hookers is fucking."

Mike thinks that Kuriansky is letting her female hang-ups get in the way of male reality.

"Men have always bought sex, while women have always sold it," he says. "Men and women are different. A woman would rather spend \$100 on shoes than get laid by some surfer dude. A man would rather spend \$100 to get laid by a pretty girl than buy shoes."

Kuriansky considers these rationalizations tepid. She argues that any married man who wants to sleep with a woman other than his wife must critically examine his marriage.

"Many men avoid this kind of critical self-

examination because they don't like the answers that come up," maintains Kuriansky. "It's looking at the mirror and not liking what they see—realizing that there is so much more they can do to create a happier, healthier marriage."

The men shrug off Kuriansky's comments.

"If it weren't for callgirls, my marriage would have ended a long time ago," Kent insists.

"The day I decide to have an affair, the day I decide to get physically and emotionally involved with a woman other than my wife—that is when things are bad," says Fred.

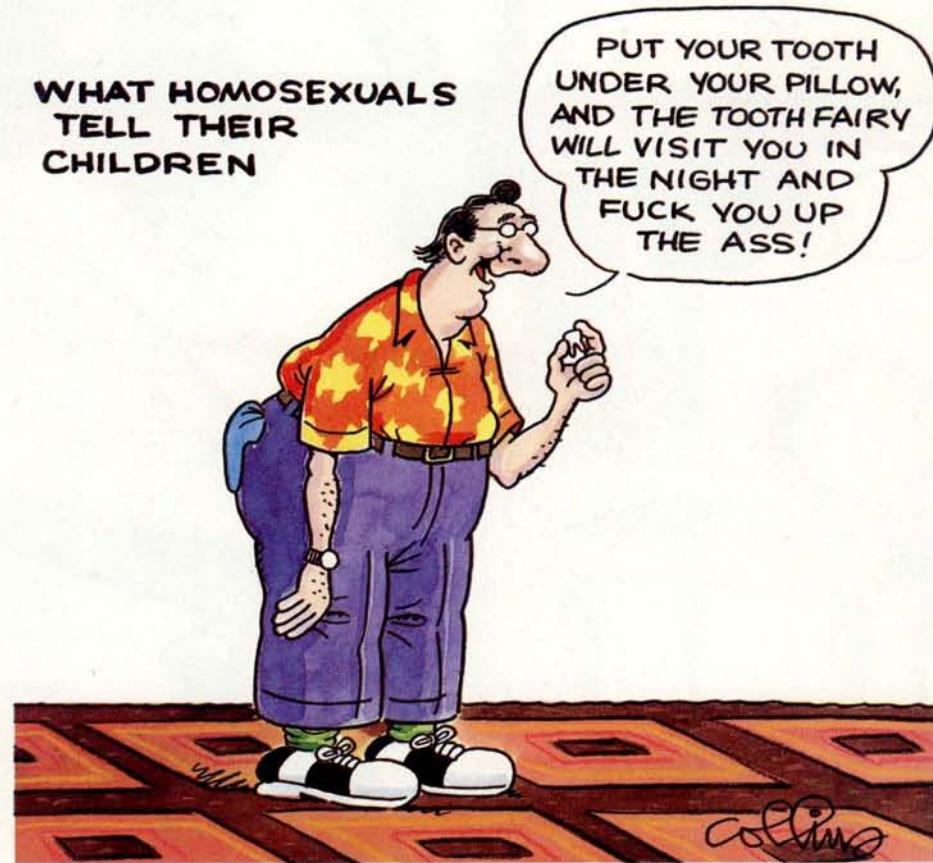

Tracy Quan also thinks that the therapist is off base.

"Kuriansky articulates the point of view of a middle-class woman who has no understanding of men and their sexuality," says Quan. "Unlike women, men can easily distinguish the difference between fucking and making love. Porn and hookers are a form of relaxation and entertainment, not a replacement for love or emotions. But women like Kuriansky constantly impose the female view of sex on men, which is grossly unfair."

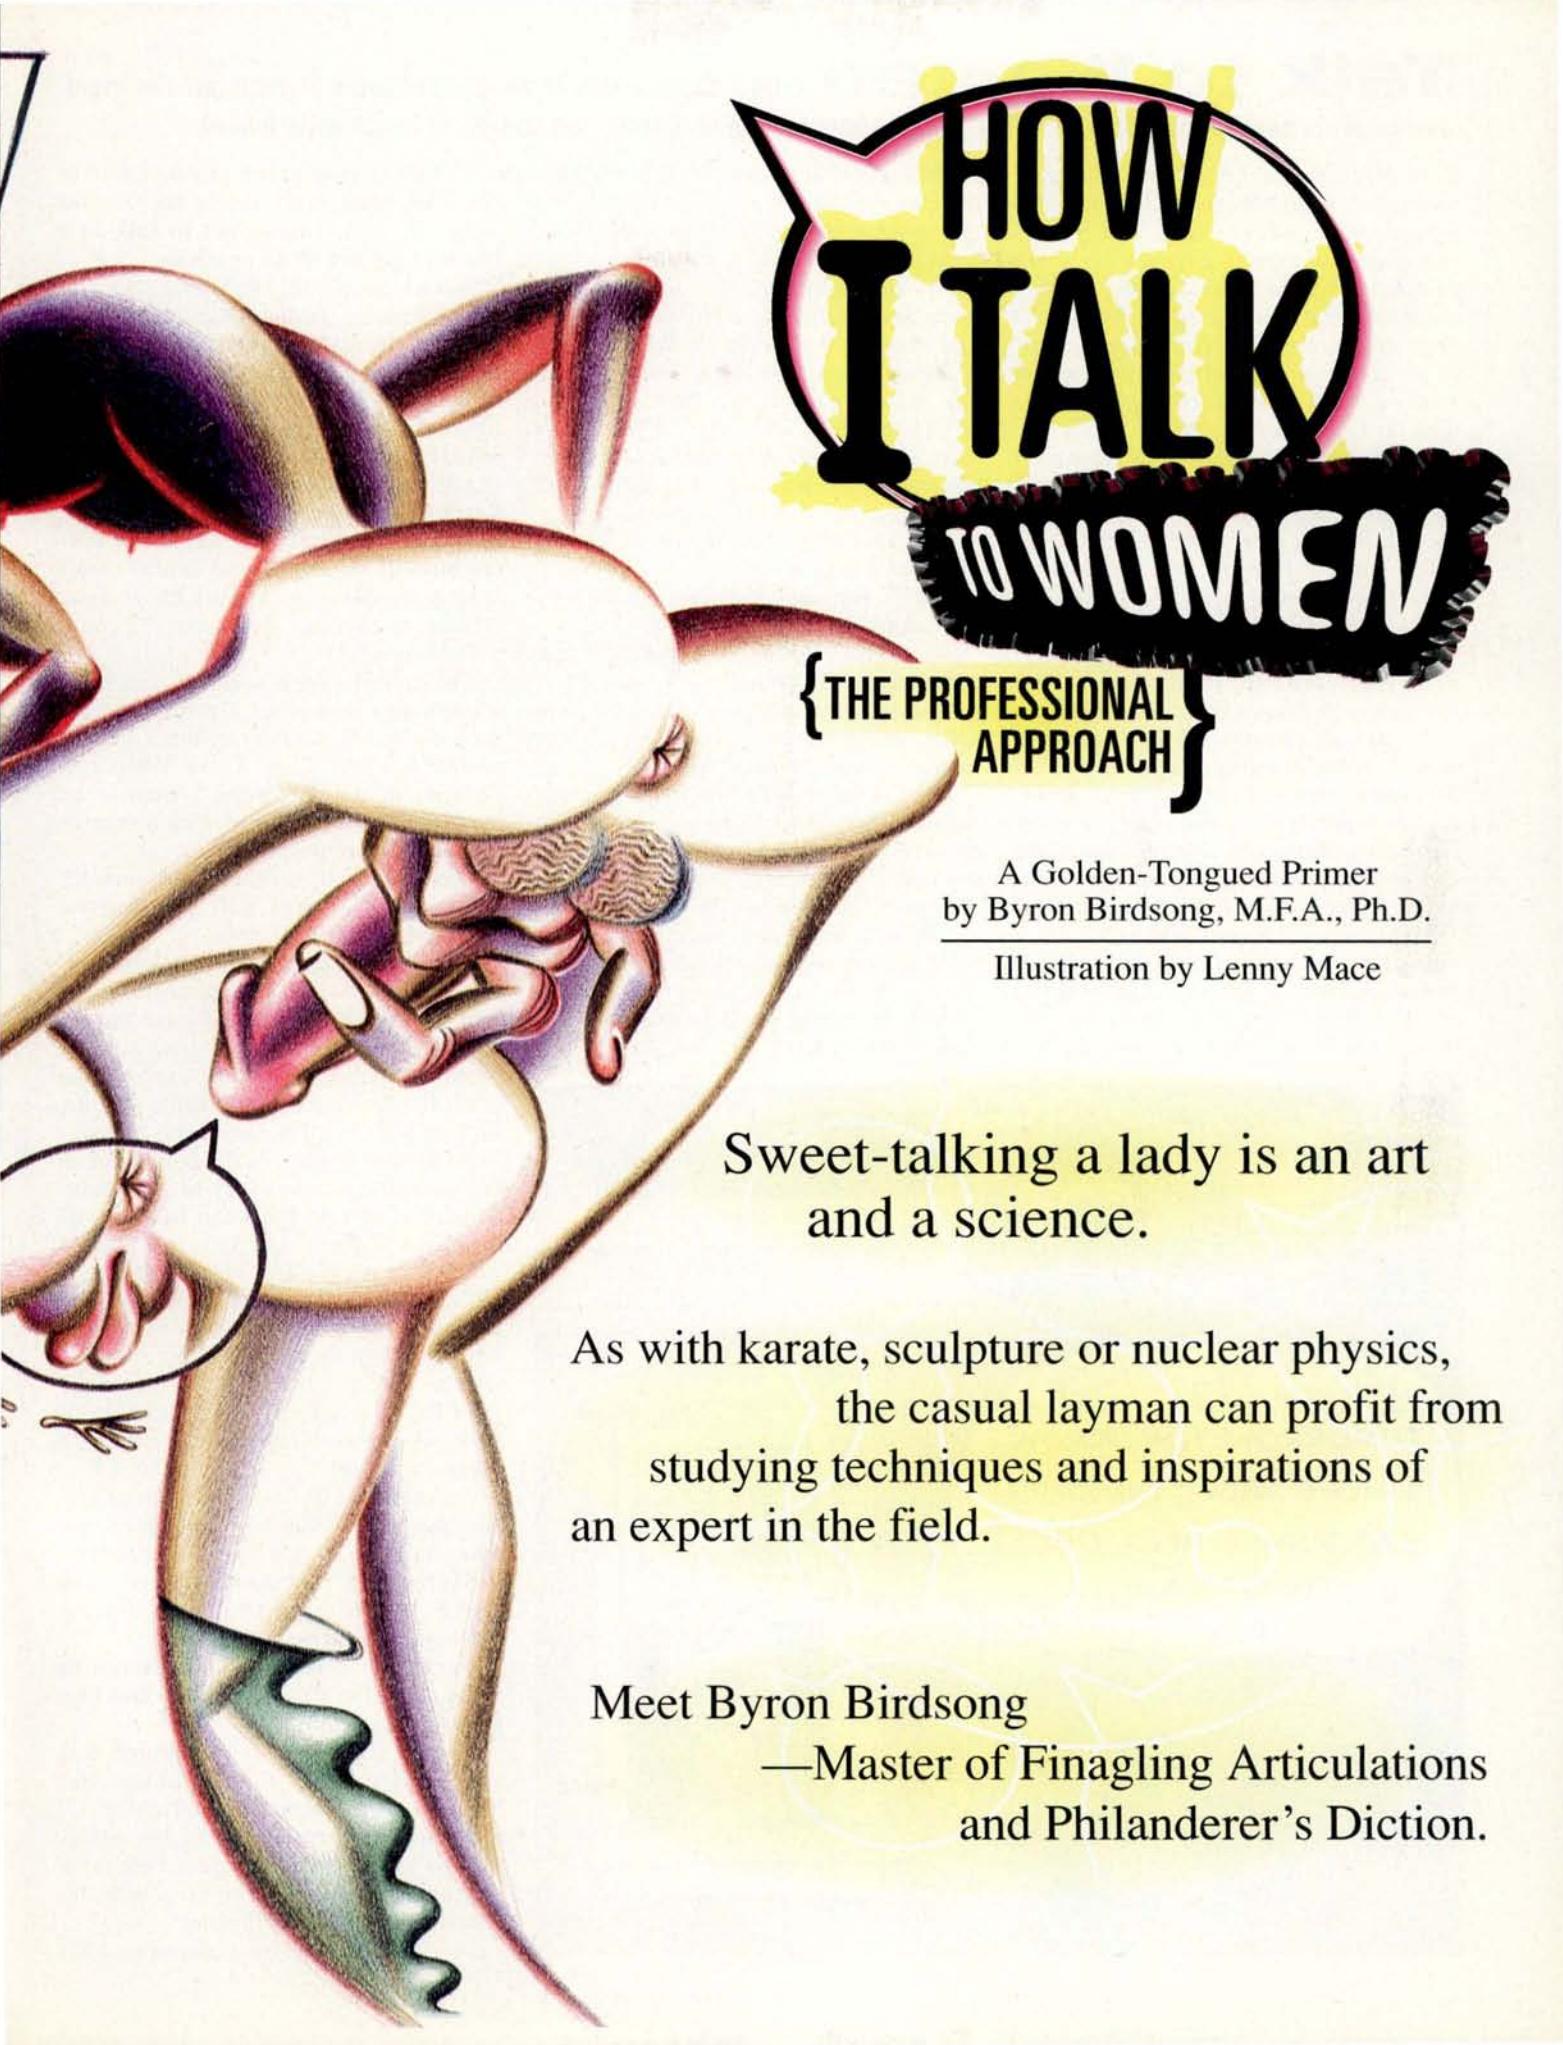

Prostitute Laurie Sue, who works at an apartment-house bordello, may have the final word on the topic:

"Working girls are aides-de-camp in maintaining marriages, not the enemies," she declares. "None of my married regulars have ever gotten a divorce!"

## WHAT HOMOSEXUALS TELL THEIR CHILDREN

# HOW I TALK TO WOMEN

{THE PROFESSIONAL APPROACH}

A Golden-Tongued Primer  
by Byron Birdsong, M.F.A., Ph.D.

Illustration by Lenny Mace

Sweet-talking a lady is an art  
and a science.

As with karate, sculpture or nuclear physics,  
the casual layman can profit from  
studying techniques and inspirations of  
an expert in the field.

Meet Byron Birdsong

—Master of Finagling Articulations  
and Philanderer's Diction.

# Talk to Women

With a sharp intake of air, Byron lowers himself into the frigid depths of his sunken marble tub. "What I know about talking to chicks," he boasts, "I could write a book."

Kate Mignon has heard everything. A lanky, 5-8 brunette whose loopy, long-legged strides jolt her buns and breasts into quakes of flesh that render her every footstep a sexual seismograph, Kate is the most highly appraised cocktail waitress at Slocum's Grill, where a few drinks and two slabs of meat will set the studly power diner back slightly more than his Gucci loafers did.

On average, three men hit on Kate each shift. Smooth-rapping operators, they talk their game and come away empty. These cool customers, each dismissed by Kate's tight, wordless smile, are not losers. Losers are banned from Slocum's. The pursuers of Kate are rocking creative types, investment-house lords, boy-wonder cyber tycoons; still, their verbal maneuvers uniformly fail to win Mignon.

Proudly deaf to pussy-hound blandishments, Kate is about to meet Byron Birdsong. Byron Birdsong's financial empire depends upon his ability to communicate with women. Byron, who stands out in the Slocum's milieu, has been brought here to pit his professional expertise against Kate Mignon.

Under his characteristic blade-brimmed felt hat, Byron's deep, soulful eyes lazily take stock. Byron claims the blood of a French-Cherokee mother and

an Italian-Irish father. With hereditary disdain, he thumbs the gold loop in his ear, pinkie poised to flash a diamond ring. His shirt—silk, brash, open at the neck—contrasts with the suit, also silk, burnished, shining in any group of suits. The shoes, a nod to the traditional attire of Byron's guild, are Alpine-green crocodile, matching the feather in his hatband.

"That the bitch?" Byron indicates Kate Mignon. The leggy beauty rests her elbows on the bar and leans forward to place an order with the mixologist.

"Excuse me, miss." Byron moves his face into Kate's world.

"Sir?" responds Kate behind her professional shield of conviviality.

"Your ass." Byron nods at Kate's out-thrust nates. "It's blocking my view."

Her mercenary smile unchanged, Kate pivots and stalks away. Her flesh springs in ample, rounded portions.

Kate returns with Slocum's general manager and two brawny cooks, who escort Byron to the boundary of the parking lot.

"Loser," they brand him.

"What can I say?" says Byron. "A bitch like her ain't worth talking to."

\* \* \*

"The first rule of pussy is you've got to talk to it to fuck it," iterates Byron

Birdsong, at ease in the private sauna of his VIP suite high above the Sunset Strip. "In fact, you've got to talk to a chick to get her to do anything."

Naked and glistening, Byron stands in steam. Flexing, coiled like a boxer eager for his next sparring partner, he moves toward the cooling pool. Two adoring, devoted, hot-buttered women drape a tiger-print robe across the champ's powerful, broad shoulders. "And the first rule of talking to pussy," Byron continues, "is don't waste your breath."

With a sharp intake of air, Byron lowers himself into the frigid depths of his sunken marble tub. "What I know about talking to chicks," he boasts, "I could write a book."

The robust expert soaks in vitalizing iciness and composes a preface to his proposed tome. Tentatively titled *A Word to the Ladies: They Know What I'm Talking About*, Birdsong's treatise on chatting up chicks begins with a rhetorical statement of purpose.

**Question: Why do we talk to women?**

**Answer: So they will do what we want them to do.**

When a man engages a female in conversation, he usually wants her to (one) suck his dick. Sometimes he speaks to her (two) in hopes that she will give him her money. Often, men talk to women in an effort to (three) persuade them to shut the fuck up and get off our goddamn backs.

As Birdsong succinctly points out in his melodious prose, any of the aforementioned trio of goals can be achieved by physical force, but violence against the weaker sex is a low-class felony.

"The spoken word separates us from the animals," declares Birdsong, ruddy, vibrant and freshly dressed after his therapeutic glacial bath, "and also from the jag-offs, the jailbirds and the married lame who grovels at his little woman's every command."

According to Byron, the fine art of verbal ensnarement can be mastered by any man, and even by that man's accountant.

**Myth: Not just anybody can talk trash to women the way Byron Birdsong talks trash to women.**

**Fact: Say whatever mess comes to mind, but don't expect to get laid like Birdsong gets laid.**

"A guy has got to say the things that are the right things for him to say, and he's got to say them to the right girl," summarizes Byron. Admiring his reflection as his personal, mirrored elevator descends to the parking structure, he checks off three cases in point.

# Talk to Women

"If a girl needs positive reinforcement, find out what she wants to do, then go and do it. When a broad is uppity, ask her where she'd like to go, then haul her in the opposite direction."

**Case A:** Buster Droops, a quick-witted though sarcastic record-store clerk fluent in contemporary culture, has a hot flash for the classy trim of Cora Flanksteak. Cora, a blond icon whose parallels to Heather Locklear go far beyond physical appearance, is a controlling partner in her own advertising agency. Cora innocently asks Buster Droops about a boxed-set collection of mid-'70s R&B soul hits. "If you need sexual healing, sister," advises Droops, putting on his shabby Richard Roundtree *Shaft* impersonation, "get up; I feel like being a sex machine."

Cora politely thanks Droops for his assistance, summons the store manager and has the mouthy clerk fired. Droops's spiel, appropriate for him, was wasted on the wrong woman.

**Case B:** Buster Droops has used his sweet-talking ways to get his job back from the record-store manager. A teenybopper, 24-year-old Julia Groundround, pops in and wants to know why her 33-year-old stepmother sneers that Julia's Green Day records are derivative ripoffs of mid-'80s punk rock. "Young lady," responds Droops, taking on the oily tones of a touchy-feely uncle, "music is a cyclical progression. We all influence one another. What comes before is con-

tinued in what comes after. Our lives are mantras. I chant mine as you hum yours; perhaps we might harmonize on the same wavelength. Let us meet for herbal tea in an incense-clouded place of warm gentleness to share our concurrent vibrations." In answer, Julia Groundround warns all her friends to stay away from the smarmy freak at the record store.

Julia is actually Buster's type and would be open to meeting his dick, but he talked a talk that was not organic to him.

**Case C:** Buster Droops is concluding that record-store clerking isn't such a great job for meeting girls after all when Rhonda Ribeye presents the winning combination. Rhonda doesn't like music. She's in the store at the insistence of her boyfriend, Wade, who is immersed in the used-CD stacks. Rhonda, an inch from dumping Wade, asks Buster Droops if there is a way to turn down the volume of Hootie and the Blowfish blasting through the in-store speakers. "There is a way," responds Buster Droops helpfully. "I will hand you my Glock 9-mm 12-clip with an extra slug in the chamber. For starters, you put a bullet in each of the eight speakers located at the corners of this structure; that leaves five shots, one for each band member, another for their manager. Then we reload and embark upon a cross-coun-

try crime spree, stopping only for drugs and quiet moments of blissful, orgasm-induced meditation. My car is the black Buick behind the store. I get off at 6 p.m."

*I have lost it,* thinks Droops as Ribeye walks away without comment. *I will be fired. She will have me committed.*

But Droops has stumbled upon the right combination. He has said something that, though fanciful, resonates with deep truth for himself. When Droops drags ass out to his car, Rhonda Ribeye, the right girl to hear him, is waiting there.

Byron Birdsong and his pair of high-rump honeys survey Byron's row of private parking spaces. "Which car do we take today?" teases tycoon Byron. "The Jaguar? Or the Towncar?"

"The Lincoln," says the downier of his two companions.

"The Jag," opts her sleek brunet sister.

Byron gets into the Lincoln. As the blonde fires up the car, Byron explains: **"Asking a chick what she wants to do is always a slick move.** The play works two ways: If a girl needs positive reinforcement, find out what she wants to do, then go and do it. On the other hand, when a broad is uppity, ask her where she'd like to go, then haul her in the opposite direction. This is an advanced theory of pussy communication, and I don't expect it to make complete sense right away. Beginners should stick with complimenting the bitch."

**Basic flattery is easy, but advanced puffery is not quite so simple.** Birdsong's recommended strategy is to start with a few astute comments about a woman's obvious attributes—her mesmerizing eyes, the modern cut of her hair, the fact that domestic animals are attracted to her. A string of commentary upon a woman's strong points establishes a speaker's credibility. He can move on to boost proud facets of the lady's character that she might be unaware of.

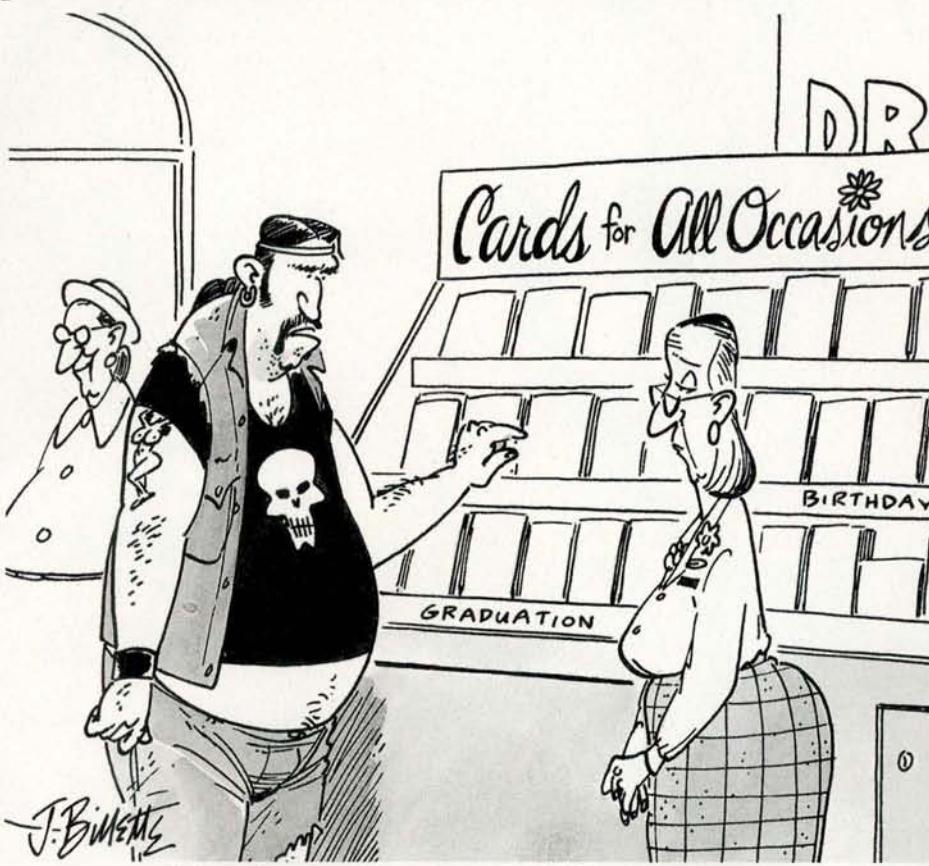

"Your spontaneity," a gaming man might say, "thrills me. At any time, you might swoop on my cock and suck my balls up through my peephole."

"Do you really mean that?" she asks.

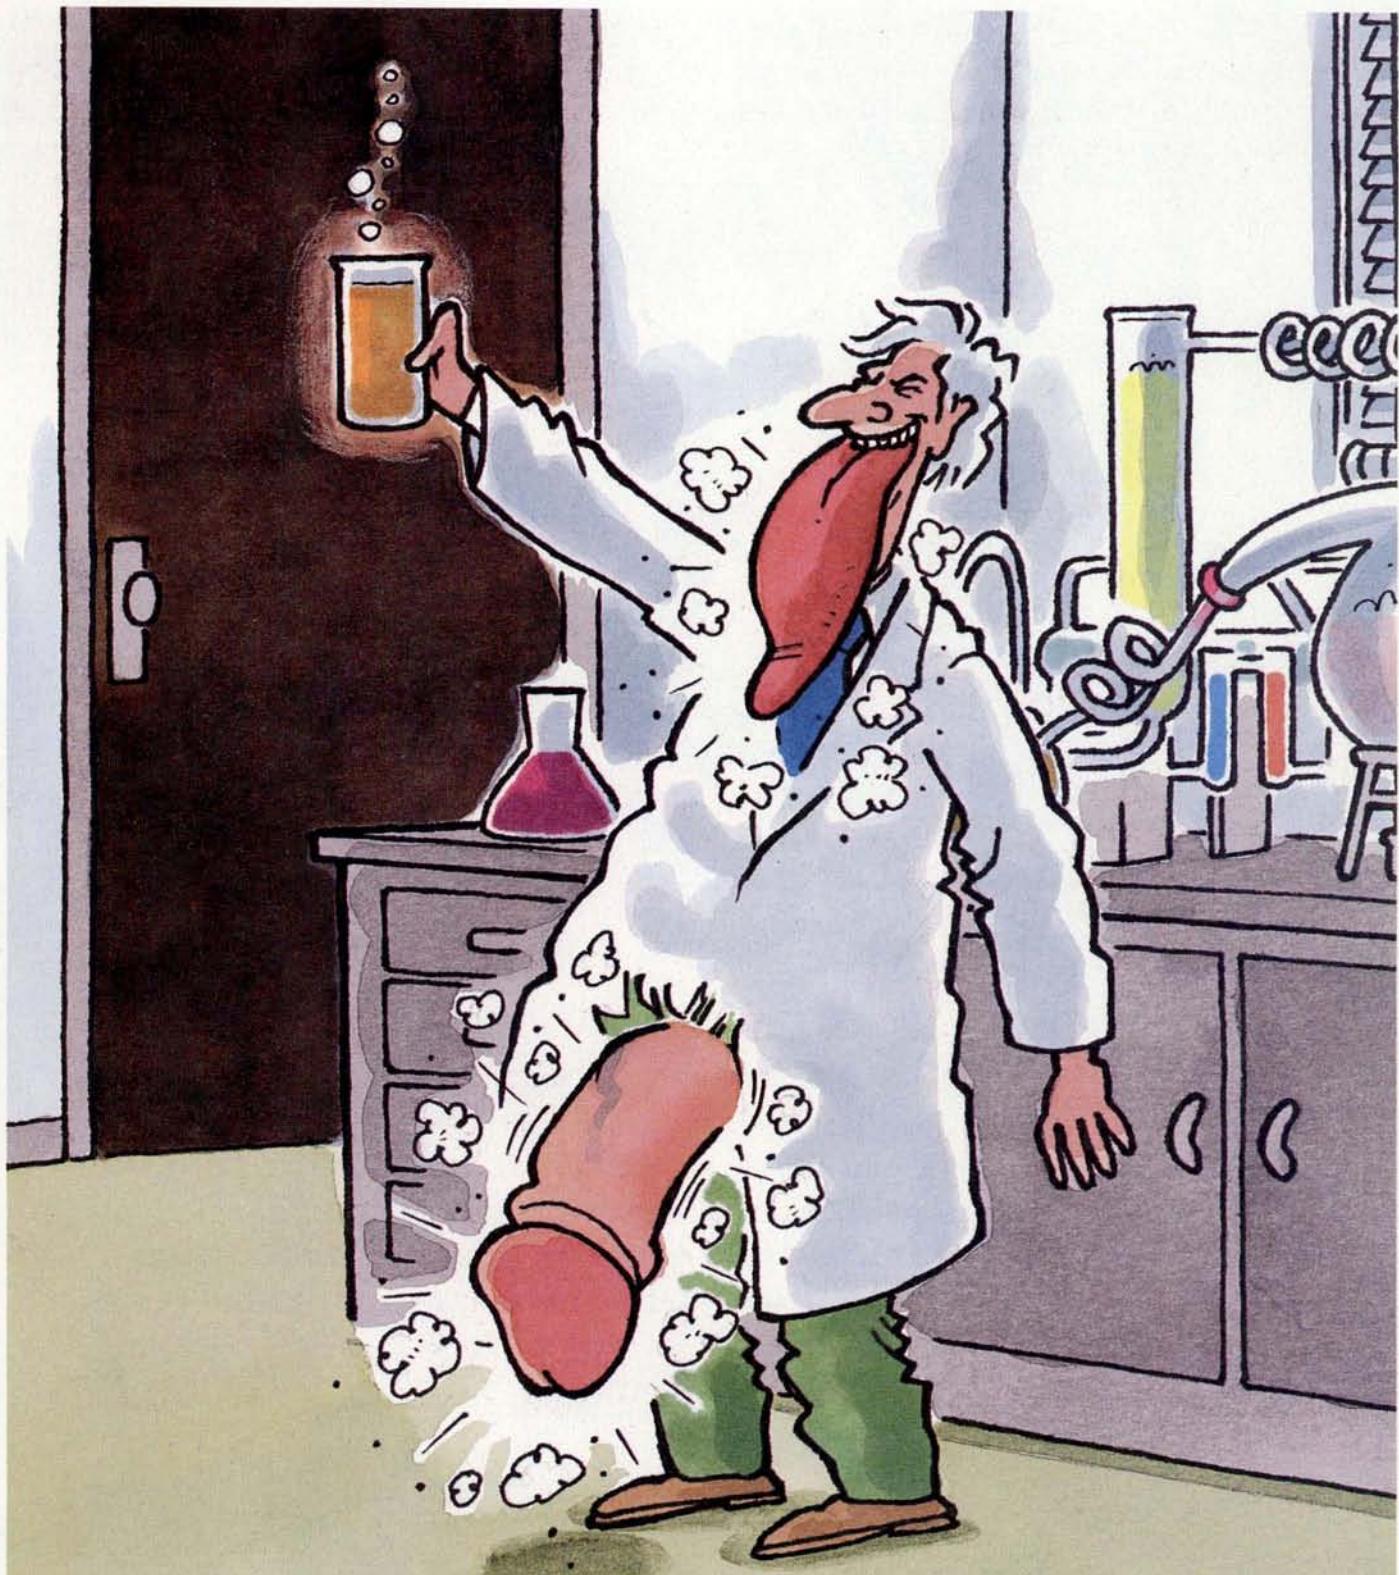

Be careful. **When women talk back, the wise man pays attention.**

"Listening to a woman is complicated," sighs Byron Birdsong, tippling a cocktail in the rear of the Towncar as his flaxen chauffeur glides toward downtown Oakland. "A girl uses certain words when she talks. She meant to use different words, and thinks she did. She believes she has cast a nuance to inveigle her male listener. On top of that, she spins a

# Talk to Women

(continued from page 54)

"If Charles Sallow can talk to women, any no-looks, small-dick, balding poltroon can, provided he stays on his verbal toes."

rationalization of her selfish motives. At her core, the woman's real message, the text of what this bitch must hear to feel secure in her world, is hidden from herself. The man listens to the lady's stacked levels of meaning simultaneously, formulating the responses that will get him what he wants from a chick who has no clue what the fuck she just said.

**Confused? Who wouldn't be.** The problem of talking women gives Byron a headache. His backseat companion takes Byron's throbbing temples between her fingers and eases the hurt from his skull, allowing him to put the complex dilemma into simple perspective:

"Let's stay in tonight," suggests sprightly Nola Rumproast to Charles Sallow, her steady date of a month and a half. "What makes Saturday night such a big deal? Why fight all those crowds at a fancy restaurant and force down a mouth-watering meal that will cost half your week's salary and then go from there to a glittering nightclub with an astronomical cover charge and a six-drink minimum, with Bud at eight bucks a bottle, just to follow that with an after-hours dance rave and get back here in the wee morning, ready to eat each other alive? Doesn't that seem like a lot of bother?"

Nola Rumproast, if called to the stand,

would testify that she had said to Charles Sallow: "Are you sure you don't mind going out again tonight?"

Talking to girlfriends, Rumproast will insinuate that her subtext encouraged Mr. Sallow to treat her like a princess.

If prodded by her analyst, Nola might admit that her manipulation of Charles is an attempt to cover her own feelings of inadequacy and shame by creating a sense of self-value, if only for her pussy.

Attentive Charles Sallow hears Nola's screech for attention as Rumproast putting on the bitch. She has an itch in her rectum, and she needs a brisk spanking and a vigorous anal-drubbing to clear the cobwebs from her soul.

## The appropriate response?

"This Sallow," opines Birdsong, whose backseat therapist has swallowed him whole, "serves himself best by disclosing that he wants to tie Nola to her bedposts and ream her ass. After pounding her shit back up into her brain, he should ease out of the relationship. She's telling him that she wants to be punished. Few men have the discipline to accept such a role without soon hurting themselves."

"That's what I did," verifies Charles Sallow, endorsing the sagacity of Byron Birdsong. "Rode her ass like she was a carnival attraction. I stuck with Nola for

a month, but she started blaming me for her own cheap-slut feelings, which I understand from attending a seminar with Byron and listening to his tapes is expected behavior for her type of woman. I cut her loose."

"See what I mean?" asks Byron, buckling his pants, tension and complexity drained from him. "If Charles Sallow can talk to women, any no-looks, small-dick, balding poltroon can, provided he stays on his verbal toes."

## The essential skill for compelling discourse with women is versatility.

"Politeness, sternness, flattery, insults," chants Birdsong, folding his menu. "An expert shifts his tone, alters his inflection, reverses his thrust as resistance changes." Byron takes a long glance at his Le Chateau Obsequie waitress. She has a familiar air. *Surprise!* The server is Kate Mignon, down on her luck from Slocum's. "There is a time and a place for everything," promises Byron.

## Kindness, tolerance.

"Excuse me, miss," says Byron solicitously. "I asked for skim milk with my coffee, and this is heavy cream."

"I'm awfully sorry," replies Kate Mignon, flipping her lush, sensual hair as though she were flicking Byron-the-bug from her fair shoulder.

## Patience, understanding.

"I understand," consoles Byron, stirring his black coffee. "You must be new here and overwhelmed. There's so much for a girl to remember."

"I said I'll get it." Kate snorts off.

## Authority, discipline, intimidation.

"Your skim milk, sir."

"Miss," inquires Byron, "may I have your name?"

"We don't give customers our names."

"I'm not your basic customer. I'm a half owner of this restaurant."

## Reprise, forgiveness.

Kate stares skeptically and hard at Byron. He is not joking. "I'm sorry. I didn't recognize you. My name is Kate Mignon."

"Kate. Glad to have you with us."

"You're awfully kind."

## Aggressive, closer.

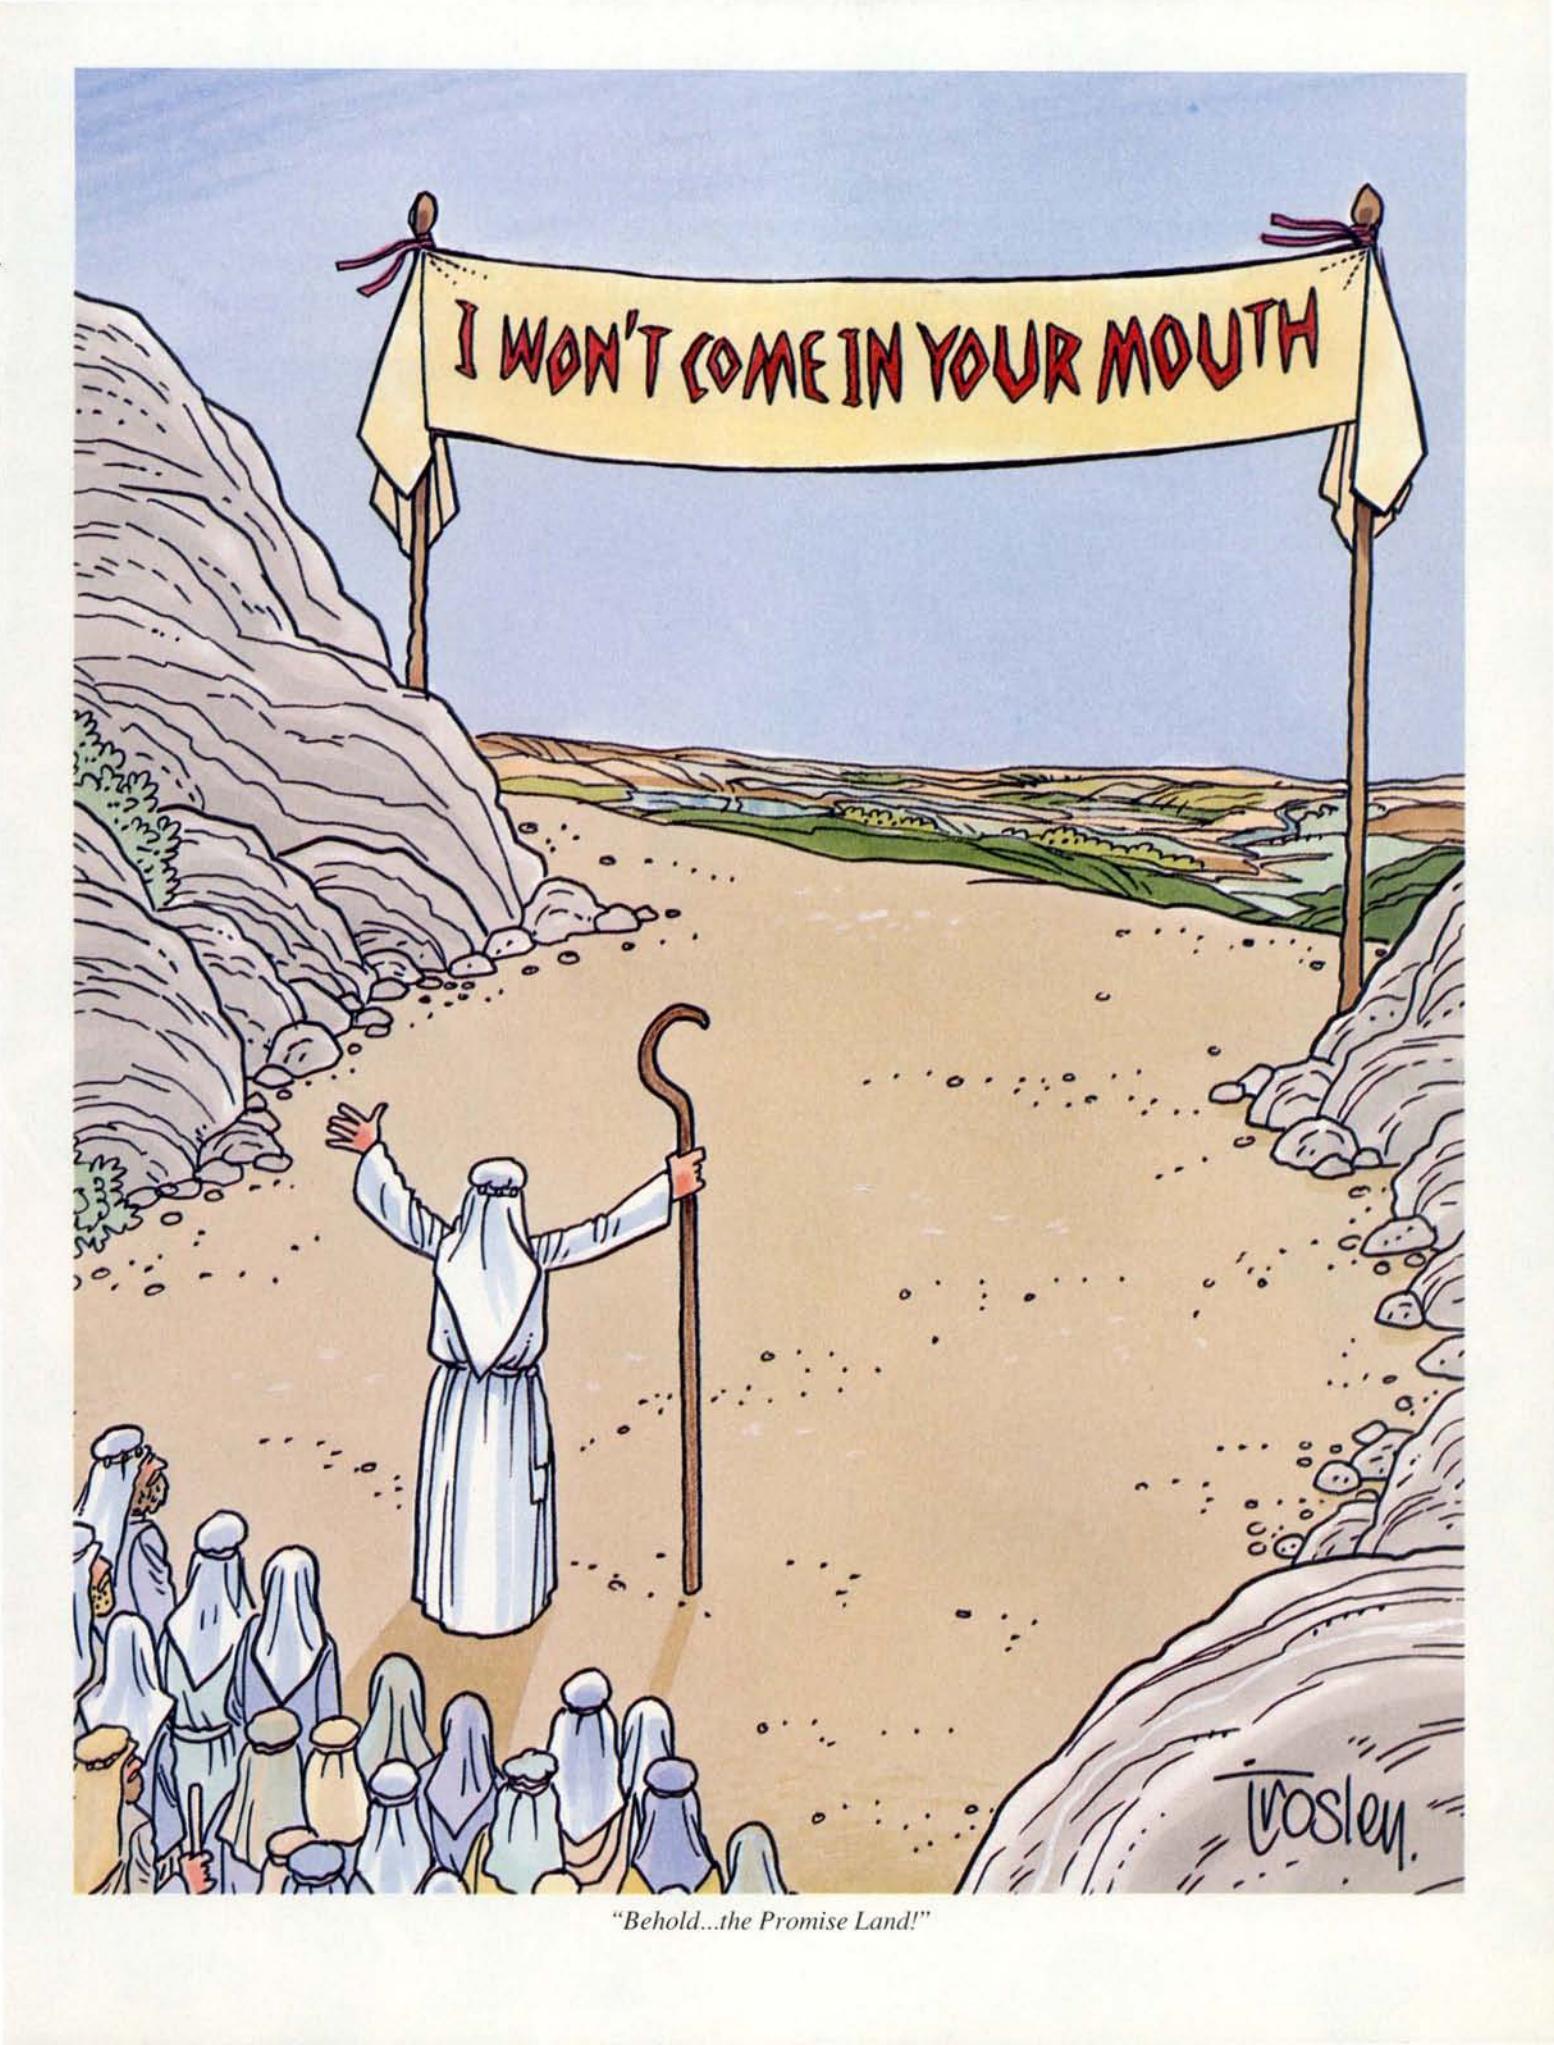

"Let's go for a drive and have sex," suggests Birdsong with amiable insistence.

A few minutes later, Byron picks himself off the parking-lot asphalt, where he has been tossed, stoops at a car mirror and checks his hair, his profile, his clothes.

"How you look when you're talking counts for something," he says in parting. "I never been in Le Chateau Obsequie in my life, but I look like I own the place. That's why what I say goes."

"He hates it when I call him my 'pimple.' "

# THE SAMURAI YAKUZA SYNDICATE

## A DAY IN THE LIFE OF A TOKYO GANGSTER

PROFILE BY CHAZ WORTHINGTON \* ILLUSTRATION BY MARC McKEE

Bigger than the American Mafia, richer than the Sony Corporation, the *yakuza* is Japan's "dirty little secret": a 450-year-old, 100,000-strong criminal underworld with its fingers in every pie from prostitution to drugs to computer hacking—with room for legitimate business investments on the side. HUSTLER follows a *yakuza* boss as he goes about his daily chores, and learns who really has it made in Japan.

# **Yakuza**

**Yakuza organizations are about moneymaking by any means possible. A yakuza group**

**might be involved in conventional mob business while simultaneously financing a legitimate corporation.**

Blood was all over the goddamn place. Rivers of crimson flowed slowly across the surface of the low, teak table. Blood seeped into the tatami-matted floor; it had splattered like buckshot fire across the exquisite rice-paper doors. What a fucking drag. Blood on the lapels of his new Armani blazer, even on his socks. What a mess. What a goddamn show.

That was Friday night. Now it's Monday morning, and the theatrics of 48 hours ago rerun in Yasuo Ito's mind like a bad movie. He loathes all the melodrama and non-moneymaking bullshit that goes down in the *yakuza*. Certainly, he believes in the traditional *yakuza* values of loyalty and sacrifice—but not if they're exploited for self-aggrandizement. And, in Ito's opinion, Tanaka, the 41-year-old *yakuza* soldier who severed part of his ring finger as an act of atonement for shortchanging the organization after a small scam, is a low-class bum. *Shit*, Ito recalls, *Tanaka's pinkie was already missing as the result of another screwup two years ago*.

The Tokyo sky is the color of concrete. There's no break in the grayness, which, from Ito's living-room window, seems to cover the entire 830 square miles, 23 wards and 12 million residents of Tokyo. During the working day, cen-

tral Tokyo's population will swell to seven times its nighttime number. That's a lot of people, a lot of goddamn opportunity. Ito likes to think about huge numbers, about the opportunities to make money; that's why he joined the *yakuza*—not for B-movie dramatics.

It's 8:30 a.m. Wearing a black-silk suit and a black tie, Ito stands in front of his luxury apartment building in Tokyo's pricey Nishi Azabu district. His face is ruddy, his jaw strong, and his thin lips are clenched around a Marlboro Light. Ito takes a drag, then runs his manicured fingers through his black, punched-permed hair. A shiny, white Nissan President—a Jaguar-like domestic model—pulls into the parking lot and stops beside Ito. Toyama, Ito's driver and bodyguard, gets out of the car, slams the door and bows deeply.

Ito is a 46-year-old boss in the 4,500-strong Kowa-kai *yakuza* organization, one of the nine major groups that control Tokyo racketeering. His rank is analogous to a department head in a corporation. There are about 400 men under Ito's direct command. At the relatively advanced age of 30, he was recruited into the Kowa-kai after making a name as a no-nonsense tour manager in the *yakuza*-dominated Japanese music industry. The

Kowa-kai wanted him for his brains, not brawn, but Ito can wield a deadly weapon with the best of them. In his early twenties, he once settled a "childhood score" by viciously slashing his old rival with the *yakuza* weapon of choice, a long Samurai sword. The act of vengeance earned Ito 19 months in jail.

"When I was young, I just loved to fight," he says. "I was uncontrollable. Now, I'd rather make a shrewd business investment than bust a nose. I can always get other guys to bust noses while I'm reading the *Nikkei Index*." Ito smiles.

"The difference between the straight, corporate businesses and a *yakuza* are subtle," he muses. "Everywhere they are, we are; they're diversified, and so are we."

*Yakuza* organizations are about moneymaking by any means possible. A *yakuza* group might be involved in conventional mob business such as narcotics distribution while simultaneously financing a legitimate high-technology corporation, and also practicing *sokaiya*. *Sokaiya* is a blackmail technique that plays on the fundamental Japanese fear of confrontation. A *yakuza* will buy a single share of a blue-chip stock, then threaten the corporation that he will "disrupt" the shareholders' meeting by asking awkward questions—an unacceptable occurrence. Its seamless, uninformative and, hence, successful meeting at risk, the corporation duly hands over the hush money.

A call comes through on Ito's wafer-thin cellular phone. The calls will come steadily as various sub-bosses roll out their futons, light cigarettes and check in with Ito, their *oyabun*—literally "father," but in *yakuza* slang, "boss." Ito is being driven to the funeral of a Kowa-kai hanger-on named Cato, who had been chronically obese and died of a heart attack at the age of 51.

"When he was alive, Cato was nothing," smiles Ito as the car glides toward the 333-meter Tokyo Tower, an orangey Eiffel Tower knockoff. "But dead, the pig is worth his weight in gold."

The death of any man in or on the periphery of the *yakuza* is an opportunity for easy money. *Yakuza* etiquette ensures that the funeral will be well attended by "mourners" bearing beautifully ornamented envelopes stuffed with Y10,000 (\$100) bills. Ito's job is to accept the envelopes on behalf of the widow, then split the proceeds with her.

# HUSTLER HUMOR

**W**hile resting up after six whirlwind days of creating Earth and all creatures great and small, God was kicking back in His office up in heaven when Archangel Gabriel stopped by to shoot the breeze.

"Gabe," God rumbled, "you should see what I've just done."

"Yeah, God?" Gabriel asked, pilfering one of God's prime cigars from the box on His desk.

"I just made Earth—oceans and forests full of beautiful and terrifying animals—and two creatures I call man and woman. Go down there. Check it out. Tell me what you think of everything."

Later that day Gabriel returned, grinning. "You've outdone yourself this time, God. Earth is beautiful. I'm loving the animals. And those humans? Terrific!"

Gabriel looked down uncomfortably. "There's just one thing, God. Those humans don't have genitals."

God let out a sigh. "I knew I forgot something! Do me a favor, would you? There's a bag over in the corner full of spare parts. Take some genitals and bring them down to Earth for the humans. Okay?"

After pulling out a variety of parts, Gabriel stopped at the door. "Any special instructions, God?"

"Not especially," God replied. "Just make sure you give the cunt to the dumb one."

"Was it fun?" his friend asked.

"Who went?"

**A** taxi driver picked up a nun and started to chat with her. "Being a nun must be tough. You know, no dating, no marriage, no sex."

"It's not that bad," the sister replied with a peaceful smile. "In fact, we don't consider oral or anal copulation to be sexual acts. Free-minded sisters such as myself may undertake those practices as much and as often as we like."

The taxi driver, turned on by the horny nun, pulled over and asked her for a blowjob. She happily sucked him off. Then she lifted her habit and asked him to lick her ass and fuck it hard.

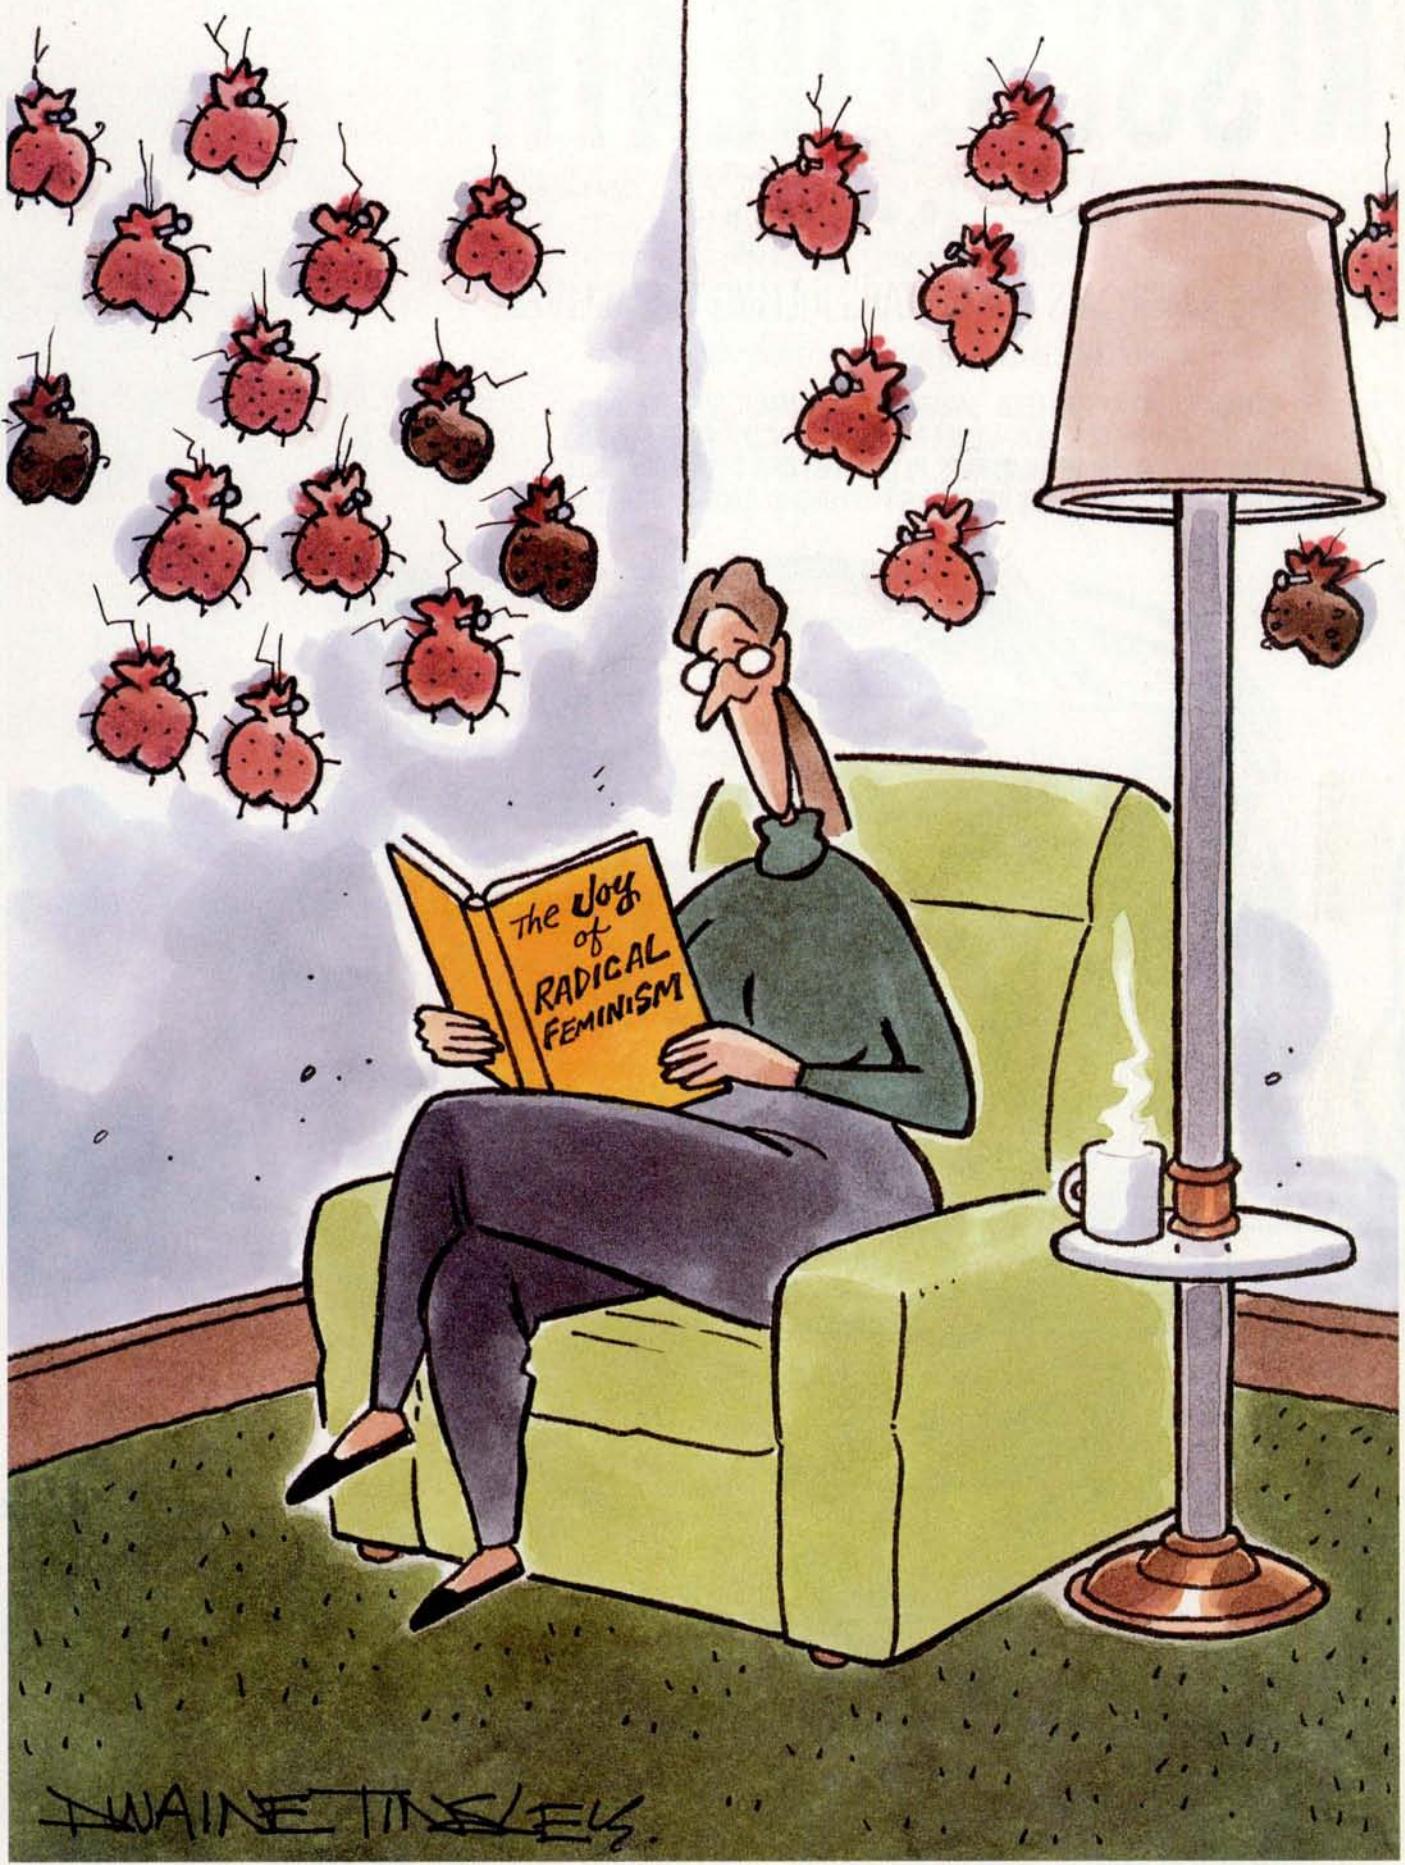

When he was finished, the taxi driver hung his head and turned to the nun. "I feel terrible, Sister. I've got a confession to make: I'm married, and I have two kids."

"I've got a little confession of my own," the nun started. "I'm not really a nun. I'm on my way to a costume party, and my name is Bob."

# KISSES OF DEATH

## WHY ARE AMERICA'S PORN STARS KILLING THEMSELVES?

REPORT BY MARC MEDOFF • ILLUSTRATION BY GEOFFREY GRAHN

SHAUNA GRANT. MEGAN LEIGH. SAVANNAH. CAL JAMMER. ALEX JORDAN. THEY HAD BEAUTY, GLAMOUR, MONEY, FAME—SEEMINGLY ENVIALE LIVES; YET THEY CHOSE TO SNUFF THEMSELVES. IN THIS FIRST OF A TWO-PART ARTICLE, HUSTLER INVESTIGATES THE XXX INDUSTRY'S MYSTERIOUS, SUICIDAL DEATH WISH.

# Porn Suicides

The blond, green-eyed Jordan was hanging lifeless from the closet's wooden clothing rod, a rope coiled around her neck, and a pair of handcuffs dangling from one wrist.

It was Sunday evening, July 2, 1995, the middle of the Fourth of July holiday weekend in beautiful, sunny Marina Del Rey, California, and the popular adult-video actress known as Summer Knight was very worried. It had been over a week since she had heard from her close friend and neighbor, 31-year-old Alex Jordan, another top porn star. Knight arranged to meet a uniformed Los Angeles Sheriff's Department deputy at Jordan's small, ground-floor apartment at 9:15 p.m. to file a missing person's report.

When the officer asked Knight for a recent photo of Jordan for his file, she looked around the apartment, casually opening the door to a walk-in closet in the next room. The young woman stumbled back into the kitchen, crying hysterically. The policeman raced to the closet. He came face-to-face with the no-longer-missing sex starlet. The blond, green-eyed Jordan was hanging lifeless from the closet's wooden clothing rod, a white-cotton rope coiled tightly around her neck, and a pair of handcuffs dangling from one wrist. Her once-pretty face was discolored and contorted, and blood seeped from the left corner of her mouth. She had been dead for several days, and her 5-7, 123-

pound body had turned a mottled combination of maroon and green.

\* \* \*

For local law-enforcement officials, it was just another suicide by hanging—a grim but unavoidable statistic. But for the country's pornography industry, unofficially headquartered just a few miles up the highway in the San Fernando Valley, Jordan's grisly death was the third suicide of a well-known porn actor in less than a year, and the most recent in an increasing string of self-inflicted fatalities that has dogged the adult-entertainment community for more than a decade.

After porn superstar Savannah's death in July 1994, the suicide floodgates in the adult-video industry seemed to open wide. Nancy Pera, the video vixen's manager and close friend throughout her career, laments that Savannah's act may have inspired others: "They might have thought that if somebody as big and with seemingly such a good future as Savannah can do it, then shit—my life is a piece of shit compared to hers. Why don't I do it?"

And "they" did do it. In the wake of the blond bombshell's death, a number of porn actresses threatened to follow in her path. The industry buzzed with

rumors of one leading lady shooting herself in the stomach, and another gulping 50 Valiums.

"They're just a very unstable group," observes Patrick Riley, author of *The X-Rated Videotape Star Index* (Prometheus 1994).

The adult-film industry is now being forced to face up to the reasons behind these suicides and attempts. Blame is being passed around as liberally as anal lube: narcotics involvement, abusive family backgrounds, emotional illness, financial woes. But the main question is the role of the industry itself: Does the sex business cause these fundamental maladies (or worsen any pre-existing "conditions" among the talent), or does porn simply attract more than its fair share of ticking time bombs in the first place?

"I think the porn industry can drive you to the brink," declares former starlet Christina Angel. "Nothing in my life has ever brought me closer to suicide than the porn industry. The way they use people up and destroy people. All they care about is the money that they can make off of them."

But according to Karen Dunne-Maxim, co-coordinator of the Suicide Prevention Project at the University of Medicine and Dentistry of New Jersey in Piscataway, it's highly unlikely that "porn kills."

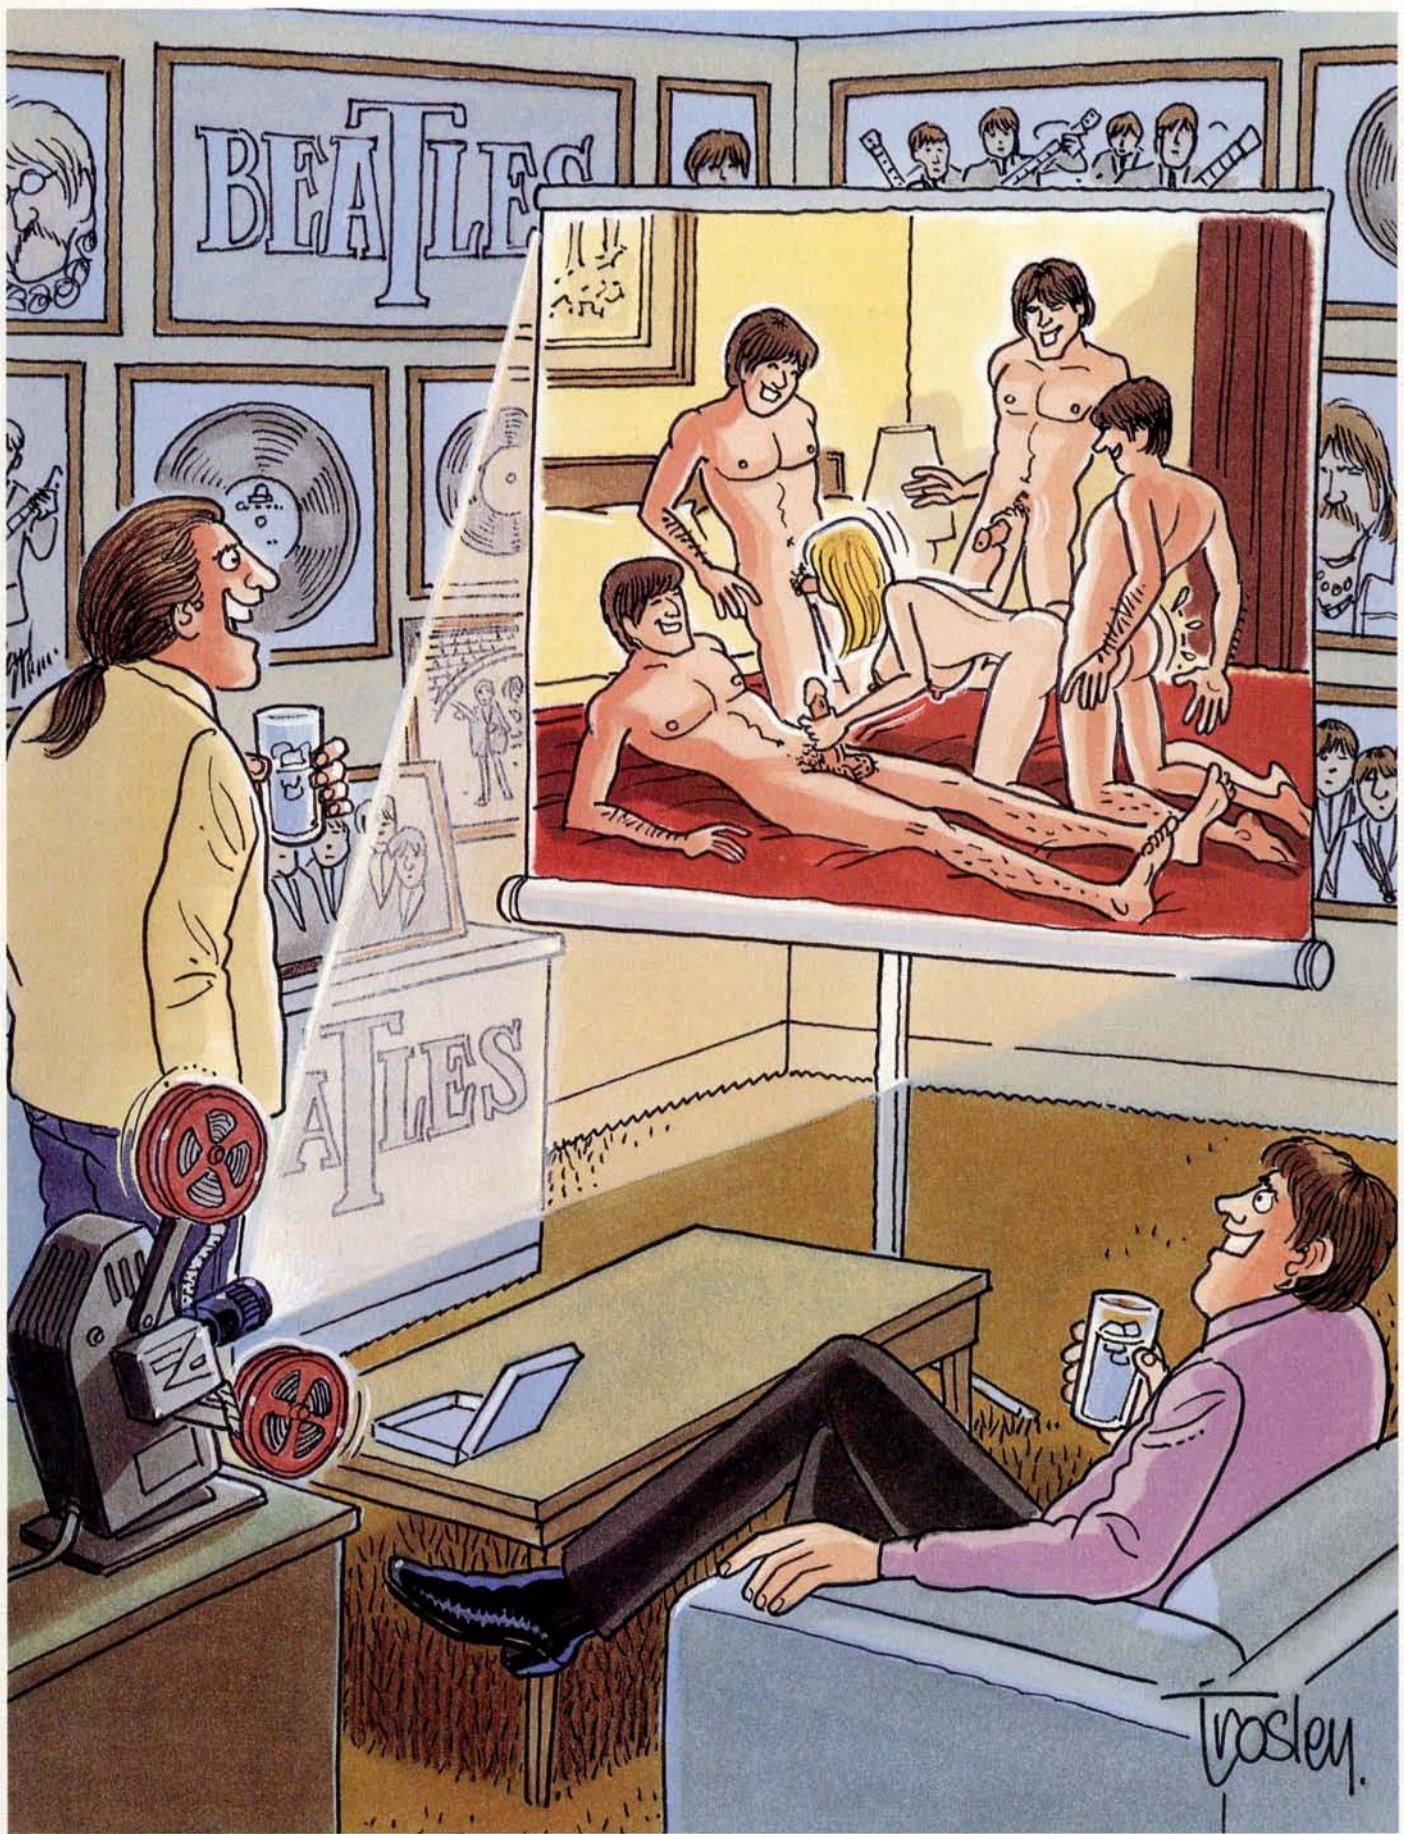

"Suicide itself is very complex," she notes, "and when you have a group of people that suddenly report 'a lot' of suicides, such as recently with the New York City Police Department, you never really know why. Did they have a suicide in their family? Did they have a biological depression? Were they medicating their pain with drugs and alcohol—drugs and alcohol deepen a depression. Be wary about drawing a conclusion about pornography. There are thousands of police officers that don't kill themselves."

An expert of a different sort agrees. "Porn is absolutely, 100 percent not responsible for these suicides," asserts 29-year-old Tiffany Million, a veteran porn actress who worked with Alex Jordan and dated Cal Jammer, both suicide victims. "People with insecure, fragile personalities—like us—are drawn to this business because we are desperately seeking attention and validation. These people [porn talent] think that being in the limelight is going to solve all their problems."

According to sex-industry spokespersons, there have been perhaps a dozen suicides of pornographic movie stars

"Here to begin downsizing, Mr. Flynt."

# Porn Suicides

Shauna Grant, by her parents' own grudging admission, was clearly in trouble as a youth, long before she first dropped her panties for a camera.

over the past 20 years. When such deaths are chronicled today, they usually boil down to a "big five": Shauna Grant, Megan Leigh, Savannah, Cal Jammer and Alex Jordan. A closer look at the lives of these stars may shed some light on whether porn was the cause of their death wishes—or only a symptom.

## SHAUNA GRANT

It's safe to say that Shauna Grant was always miserable being a porn star.

"She hated it; she hated it," recalled Laurie Smith, a friend and fellow smut star, on the *Frontline* report "Death of a Porn Queen," which aired in the late 1980s. Indeed, XXX critics found Shauna to be an indifferent performer; while she had the look, she was an awkward "actress." During her time in the business, making 30 movies, Shauna had little more than an abortion and a case of herpes to show for her efforts.

In the spring of 1983, Shauna was introduced by her "guru," director Bobby Hollander, to his cocaine dealer, a 44-year-old man named Jake Ehrlich. Shauna announced she was "in love," moved in with Ehrlich, and said she was getting out of the business. What she was, was addicted to cocaine, and

she was now dependent on Ehrlich to support her habit.

"She was out of porn and had taken over her boyfriend's drug business for a long time before she committed suicide," recalls Jim South, head of the World Modeling Agency. "I loved Shauna dearly, but her death had nothing to do with pornography."

\* \* \*

Shauna Grant, by her parents' own grudging admission, was clearly in trouble as a youth, long before she first dropped her panties for a camera. Born Colleen Marie Applegate on May 30, 1963, in Farmington, Minnesota, she seemed destined for the life of a wholesome, pretty, blond, small-town farm-girl. Instead, during her last year at Farmington High School, she became withdrawn, ditching her friends in favor of dating an older man. She began drinking, smoking pot and staying out all night.

In December of 1981, after an argument with her mother, the barely 18-year-old girl downed a bottle of pills in a suicide attempt; her stomach was pumped, and she survived. The troubled teen was forced to see a counselor, but according to *People* magazine, the sessions went nowhere. At the one meeting

Shauna's parents were required to attend, her mother recalls, "nobody said much." It was the first time the couple had ever sat down with their daughter to discuss her problems, but such openness was simply not "their way."

Both parents complained to *Frontline* that Shauna's first suicide attempt was because "she wanted attention."

Shauna left home in March 1982 and moved to California with her boyfriend. She was soon working as a nude model for major men's magazines, including *HUSTLER* and *Penthouse*. When her folks caught wind of her new lifestyle, they flew out to "save" her. Another major fight took place, Shauna stormed out, and in the fall of 1982, the girl with the "perfect breasts" and Midwestern good looks was making hard-core loops.

Shauna returned to Minnesota for a visit in the fall of 1983, by this time a ragged, blood-soaked-handkerchief-toting cocaine junkie. To her parents, she once again denied drug use. Her father told *People* magazine, "I believed her because she was my daughter. And because I wanted to believe her, I suppose."

To everyone who worked with her, Shauna had a problem. In her first year in the business, she made nearly \$100,000, but reportedly spent most of it on cocaine. Photographer Johnny Castano recalls Shauna as "a terrible druggie, on drugs all the time." And fellow lensman Lance Kincaid says she was stoned constantly.

"I knew Shauna from the start," says Kincaid, "and she was always heavily involved with drugs. I saw her almost every day when she was working with Bobby Hollander. I once took her to the movies in Sherman Oaks, and she said she wanted some popcorn. I said, 'Oh, you must have your appetite back down from the cocaine.' And she said, 'I'm never down.' She was high all the time."

The issue of drugs is a highly sensitive and rarely debated topic within the sex industry. While not encouraged, drug use is tolerated by some producers.

"They say they don't want to have the drugs on the set," fumes one veteran porn director, "but then again, if they've got it booked, they look the other way, especially if it's going to put dollars in their pockets."

"The only common denominator I've seen from having three good friends commit suicide is drugs," he adds. "In every instance, drugs were involved."

# Sisters Unite

Kris and Kelly

"We've worked in Spain for two years now," says L.A.-born governess Kris, lounging poolside at her employers' mansion.

"We've become really acclimated," maintains her look-alike friend and coworker Kelly. "Which is why we're doubly humiliated by loud, obnoxious American tourists—meaning, all of them."

"They think they're so above Europeans," huffs Kris. "So we like to bug them by touching each other and making out in public."

"Yeah," Kelly giggles. "And they usually assume we're sisters; so it really freaks them out."

The touchy-feely charade seems like a lot of bother just to get someone's goat.

"Oh, it's no bother at all."

# **Yakuza**

In a country with half the population of the United States, there are approximately 100,000 yakuza members, compared to an estimated 20,000 American mafiosi.

cemetery beside the Azabu View Temple. The temple is in the upper-class area of Moto Azabu, in Tokyo's western "high city," as opposed to the eastern "low city," from where most yakuza hail.

Four women in formal black kimonos are standing around a big, iron cauldron, burning incense and gossiping. Maybe 30 men, most in black suits and dark glasses, mill about greeting, bowing and joking. There's not a lot of mourning going on. Even Cato's stout, 34-year-old widow is giggling at the flirtatious asides whispered by the men; a young widow in a black kimono is a sexy cliche and considered open game. She is giddy with the attention and, perhaps, with the knowledge of what's going on in the temple office.

Bare, tubular fluorescent lights fill the spartan office with an unnatural glow. The shades are shut tight. Ito is sitting cross-legged on the tatami floor facing two trusted Kowa-kai underlings, who mechanically open the envelopes and remove the beige Y10,000 bills. Ito taps numbers into a calculator while an associate double-checks the figures by nimbly clicking the beads on a wooden abacus. Though the cut with the widow is 50-50, Ito's pile must be trimmed by ten percent for the temple monks and by another ten

as a "tribute" for the local yakuza boss.

Back outside, the accounting done, Ito's bodyguard, Toyama, hands a bulky envelope to the widow, bows curtly and walks down the driveway. Ito finishes his cigarette, lazily watching the smoke dissipate into the clear, blue sky and savoring the moment.

"This is the way I like it," Ito observes. "Simple, easy profit. It's nice that keeping a *boke* [bum] like Cato on payroll finally paid some dividend." Ito reminds himself that the same is true about that dope Tanaka, whose blood it was that ruined a pair of Ito's socks as well as his weekend.

\* \* \*

Lowly yakuza soldiers such as Tanaka are not strictly supervised by the organization. Indeed, they are encouraged to arrange freelance crimes away from the main Kowa-kai staples of property speculation, construction and loan-sharking. The yakuza make it a conscious duty to keep small-timers like Tanaka occupied within their own worlds, thus preventing the evolution of lone-wolf criminals. At the same time, the idea is to keep a crook such as Tanaka away from the Kowa-kai's sophisticated businesses, where his low IQ might muck things up. As long as Tanaka kicks a cut of his small deals to

Okawa-san, Kowa-kai's 68-year-old "president," he's fine.

Tanaka's personal-profit scam had the subtlety and wit of a hammer. Each morning during the 15-day, twice-a-year Tokyo sumo tournaments, a few thousand upper-level seats are sold to those without old-boy ticket connections. The proletarian sumo freaks—white-haired grannies, blue-collar workers and students—begin lining up at the gate outside the modern sumo stadium the night before the ticket window opens at 9 a.m. At around 8:30 a.m. the next day, Tanaka, leading a posse of young yakuza-in-training called *chimpira*, or "little pricks," crashes the front of the line. After fending off some pissed-off old ladies, Tanaka's gang buys up all the cheap tickets and immediately goes and scalps them to the latecomers at the end of the line. By Day 15 of the tournaments, Tanaka has usually earned Y1,000,000 (\$10,000).

Within two or three days, Tanaka would normally drop off a 15 percent tribute at the Kowa-kai's main office. But last week, he fucked up. Ito doesn't know—and really doesn't care—why Tanaka never showed. He just hates all of Tanaka's bloody histrionics.

"It would have been a lot more profitable," Ito says, "if he had just jumped into the Sumida River."

\* \* \*

The Japanese characters for *Kowa-kai* have been elaborately engraved into a bronze plaque bolted on the unlocked front door of the organization's headquarters in Shinjuku, the most dynamic business and entertainment center of central Tokyo. Someone unable to read the name *Kowa-kai* might believe these to be the spacious, modern offices of a corporate law firm. But any Japanese knows exactly what *Kowa-kai* really represents.

Yakuza ventures generate an estimated combined income ranging from \$8 billion to \$35 billion a year. In postwar Japan, the yakuza's power has become so diversified, entrenched and omnipresent that the agenda of the "underground" yakuza is virtually indistinguishable from that of the national government. In a country with half the population of the United States, there are approximately 100,000 yakuza members, compared to an estimated 20,000 American mafiosi.

The yakuza subculture is one of the most compelling aspects of modern Japanese society. It is an amalgamation of traditional, feudal Japan and contemporary worldliness. The elaborate body

## BEAVER HUNT VIDEO CONTEST IS ON!

HUSTLER sounded the call for women of every race, creed and color to take it all off, grab a video camera and show a nation what they're made of. America responded with a deluge of entries for the *Beaver Hunt Video Contest*. Now it's your chance to take a shot at the \$5,000 Grand Prize. Simply throw a VHS tape into the camcorder and capture your Beaver doing what Beaver does best—whether it's fucking, masturbating, being shaved, being sucked, or simply looking pretty. The only limits are your kinky imagination! All participants must fill out the Model Release Form on the next page (make photocopies of the Form for friends if activities turn to group sex). Be sure to include photocopies of two forms of identification for everyone on camera, and send entries to *Beaver Hunt Video Contest*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. The hottest tapes of the finest ladies will be included in the upcoming *Beaver Hunt Video* series, and the winning gals receive \$250—not to mention that \$5,000 reward for the Grand Prize Winner. If you've got what it takes to light up the Beaver screen, then let the cameras roll—the video *Hunt* is on!

## Porn Suicides

Megan once sent male porn star Jamie Gillis, with whom she had an aborted affair, a photo of a woman sawed in half and wrote a caption on the side: THIS SHOULD BE ME.

Shauna Grant's retirement from porn did nothing to lessen her drug use. During the ten months that Shauna lived with Ehrlich, their house was the site of a nonstop party, and Shauna turned into a complete coke freak. On February 21, 1984, when Ehrlich was arrested for a probation violation on a previous drug charge, Shauna's final march into oblivion began.

Shauna was left responsible for running a leather-goods shop that Ehrlich owned, according to Hollander, but instead kept it shuttered. In less than a month, she spent the last of his money on coke. With that gone, and in desperate need of cash, she accepted an offer to make a "comeback" film—something she had vowed she'd never do. Shooting was to start a week later, on March 22, 1984. But according to former porn starlet Kelly Nichols, Shauna had no intention of going through with it.

"She asked me if I would work for her," remembers Nichols. "You could kind of trade off with somebody else back then if you were the lead. I called her to tell her I could do it. She wasn't home, but called me back the night she

killed herself—about an hour before—and said she was so happy I could work for her, because she didn't want to do it."

Around the time of the movie offer, Ehrlich had called from jail and told Shauna to move out of the house—they were through. On March 21, Shauna began to pack with the help of a friend. Abruptly, she walked into the next room, lay down on the bed, took Ehrlich's .22 rifle, propped it up against the right side of her skull and pulled the trigger. The bullet went clear through her head, coming out and crashing into the wall. She died on March 23, 1984. Two years to the month after Shauna Grant left Minnesota with stars in her eyes, she returned home in a box.

### MEGAN LEIGH

Veteran smut star Porsche Lynn remembers her friend Megan Leigh as a "manic depressive" with "incredible highs, and then incredibly depressed, sleepy and introverted." She also clearly recalls Megan's suicide threats during those bouts of depression. "We thought she was just joking," says Porsche. "She would make comments

(continued from page 94)

like, 'I should put you all out of your misery and just go shoot myself so you don't have to bother with me.'"

Megan was apparently obsessed with violent sex crimes, collecting pictures of women who were chopped up and mutilated. "It was a very strange thing," recalls Porsche. "She would make little jokes like, 'This should be me; this could be me.'" According to Porsche, Megan once sent male porn star Jamie Gillis, with whom she had an aborted affair, a photo of a woman sawed in half and wrote a caption on the side: THIS SHOULD BE ME.

\* \* \*

Megan Leigh apparently had a less than stable upbringing. Her parents were divorced when she was 4 or 5 years old. According to Patrick Riley, Megan, born Michelle Marie Schei on March 2, 1964, in Oakland, California, was a runaway at age 14. By the time she was 17, Megan was working in a massage parlor in Guam. Moving back to San Francisco to work as a stripper for the notorious Mitchell Brothers, she began doing skin flicks in 1986.

# Beaver Hunt

One of the prettiest ladies ever to hail from Wichita, Kansas, pulchritudinous 19-year-old Madison is a model, and it's easy to see why. Those lips, those eyes, the fuzzy, pink point of focus between her thighs. A girl so sweet can forget to list her sexual fantasies, and nobody minds. Anyone care to fill in Madison's blanks?

## Flash for Cash!

Attention, ladies! The 1996 Beaver Hunt Grand Prize Competition is looking for you! Snap a clear, color picture and mail it to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose photo-feature we print gets \$250 and a chance at the 1996 Grand Prize—a \$5,000 cash award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

There's only one thing hotter than a sexy nurse in a crisp, white uniform: a naked sexy nurse on her back with her bunched-up panties hanging from her ankles. Dawn, a 25-year-old nurse from Waterford, Michigan, illustrates this point beautifully. Her fantasy is to take a Caribbean cruise with all of her friends and have orgies with them every night. Nurse, it's swelling and becoming engorged with blood again.

Cindy is a 29-year-old receptionist from Jackson, Tennessee, who enjoys spending time with her family, drag racing and relaxing in a bubble bath with candles. No candles are in sight, but Cindy's high beams light the place up nicely. All that's needed is some wind to blow those bubbles away.

Photo by Husband

Just how warm it gets in Bullhead, Arizona, is a question for the weatherman. But for this 23-year-old housewife who answers to the name Katrina, it's always hot enough for topless sunbathing. She fantasizes about having sex with more than one partner at once. How many? That all depends on just how hot she gets.

Photo by Husband

Sasha is a 23-year-old dancer and hairdresser from Saco, Maine, whose hobbies include dancing and hairdressing. Her biggest fantasy is for her fantasies to come true. Is life simple, or is life simple? Gaze into the innocent smile and the uncomplicated charm of her fuzzy muff, and the answer just may be yes.

Photo by Friend

Xanna is a 29-year-old painter from Chicago, Illinois, who likes to travel, cook and watch American movies. She fantasizes about starring in a homemade XXX flick filmed on a tropical beach. A winter locale might work also, since Xanna comes equipped with an extra chain for traction in slippery places.

Photo by Husband

Sandra, a 24-year-old housewife from Jacksonville, Florida, answers the call of the wild by spending as much time outdoors as possible. Why bother with maps, tents and complicated equipment when all that's really needed for natural fun is a pair of nature's finest creations, shown here blossoming on Sandra's chest.

Photo by Husband

Lucky students in Battle Creek, Michigan, sometimes get treated to instructions from a 25-year-old substitute teacher named Chrissy.

Kicking back naked, letting her full-size hooters hang loose and cooling her mound on ice, Chrissy shows how schoolteachers unwind. Students can be so demanding.

Photo by Husband

She's mom to her twin boys, but to everyone else she's Sarah, a 35-year-old housewife from Dickinson, Texas. Sex, a prerequisite for motherhood is, not surprisingly, at the top of her list of hobbies. She gets off on a titillating fantasy in which she hires an escort to screw her husband while she secretly joins in on the fun. What will Mom think of next?

Photo by Husband

Twenty-eight-year-old Stephanie from Twin Lake, Illinois, enjoys two hobbies: swimming and cockteasing. No candles, romantic music or flowers are needed for her sexual fantasies. All she wants is to get fucked so hard she has to scream but can't, because there's a dick in her mouth. Actions speak louder than words.

Photo by Boyfriend

Say it all with flowers. Or just one, as Shelby does here. A denizen of Laurence Harbor, New Jersey, Shelby, 37, manages a dual career as a housewife and an escort. But even for the busiest of workers, there's always time to stop and sniff the roses.

Photo by Husband

Seductive Celia, a 21-year-old dancer from Ontario, Canada, has so many sexual fantasies, she could fill a XXX book with them. Among them is her desire to lick the juiciest cunt she can find while getting fucked from behind. With rings (not shown) in her bellybutton and clit hood, she describes herself as "a walking jewelry box." Forget the rings, her box looks like a perfect place to stuff the family jewels anytime.

Photo by Friend

Thumper is a 33-year-old entrepreneur, model and dancer from Easton, Pennsylvania. If that doesn't keep her busy enough, she also loves having sex in the great outdoors. Her hottest fantasy? To do a photo shoot with another woman with "fruitful success." Judging by her fruitful figure, anything she does naked will be a success.

Photo by Friend

Hummelstown, Pennsylvania, is home to a brown-eyed beauty named Aizlynn. This 36-year-old bombshell works as a freelance model, and is shown here modeling herself, free of pants. Aizlynn is a people-oriented person who enjoys hiking and gardening. Pussy-oriented people might enjoy a vigorous hike through her garden.

# **Yakuza**

"An old-time yakuza was a gentleman," says Ito wistfully. "He would never hurt the common man, of which he is one. It's part of the yakuza code, as well as good manners."

tattooing of yakuza members, which can completely cover the torso and thighs, is still common. The *hari-maki*, an old-fashioned money belt formed by wrapping a wide cloth strip around the midsection, is standard yakuza casual wear. Until a few years ago, carrying a pistol was a yakuza taboo—all fighting was to be settled by Samurai sword. Newer yakuza trademarks, such as punched-permed hair and tinted glasses, have evolved to become part of the tradition.

The yakuza members, who flaunt their criminal associations and machismo, fascinate the obsequious salarymen and super-nerd computer freaks of modern-day Japan. Their allure is further enhanced by popular yakuza movies that paint them as heroic, dignified rebels in a nation of Westernized wimps.

But heroic yakuza movies make Yasuo Ito laugh. Especially the manner in which the inevitable *yubi i tsumaru*—the finger-chopping scene—is sanitized. Ito has witnessed this act of atonement and fidelity four or five times. It's always a mess.

\* \* \*

Two weeks after Tanaka should have turned over his sumo tribute to Okawa-san, who was probably too busy to notice, a sub-boss's "reminder" to Tanaka was garbled to imply that Okawa-san himself

had indeed been deeply insulted by Tanaka's faux pas. Frenzied and flat-tired to think the exalted Okawa-san had mentioned his name, Tanaka requested a formal audience with the Kowa-kai chieftains.

Considering Tanaka's intelligence and circumstance, Ito figured finger-chopping was an even-money bet. He had hoped Tanaka's cowardice would win out, but when the soldier showed at Okawa-san's elegant office reeking of whiskey and wearing a blue kimono (instead of his trademark counterfeit Lacoste golfwear), there was no doubt about his intentions. Ito was very glad that the noncinematic precaution of calling a nearby hospital and ambulance had been taken.

\* \* \*

Besides attending disconcerting ceremonies of self-mutilation and making the rounds of yakuza funerals, Ito's other responsibility is cruising out to Tokyo-area prisons to pick up released Kowa-kai members. It's important for Ito to be the first face seen by a newly freed brother.

While Toyama guides the Nissan President toward Fuchu Prison, Ito culls information and gives orders to yakuza all over the city. He instructs a Kowa-kai accountant to knock half a percent off the

organization's loan rates in response to similar moves by the national bank; he tips off a Kowa-kai-associated pachinko-parlor operator in south Tokyo about an upcoming police raid. And Ito's next phone call goes something like this:

"Sir, we're catching shit from a bunch of part-time workers over Koto ward," says the husky but respectful voice bounced off an overburdened satellite above Tokyo.

Ito says nothing.

"They're saying we shortchanged the crew who worked on that Saitama shopping center," complains the voice. "Now they're bitching about working that sewer project in Mito."

"Did you short them?" Ito asks, looking at his Rolex.

"Yes, sir. But it's not like they had to do any real work—yet they never showed sober! It made us look bad."

"Pay them double the difference," orders the boss, without reproach. "Apologize and beg them to work the sewer."

"Hai!" fires the voice as Ito clicks off.

"An old-time yakuza was a gentleman," says Ito wistfully. "He would never hurt the common man, of which he is one. It's part of the yakuza code, as well as good manners."

The sleek Nissan President is parked 50 feet from the main doors of Fuchu Prison, through which Kenji Kawaguchi will emerge after a 14-month stint. Kawaguchi was sentenced for recruiting and paying a college computer whiz to hack into the mainframe of a major bank's branch office. The kid had barely begun the operation when he was seized with a Catholic-like urge to confess. He spilled it to the police, then went back to class while Kawaguchi was put away.

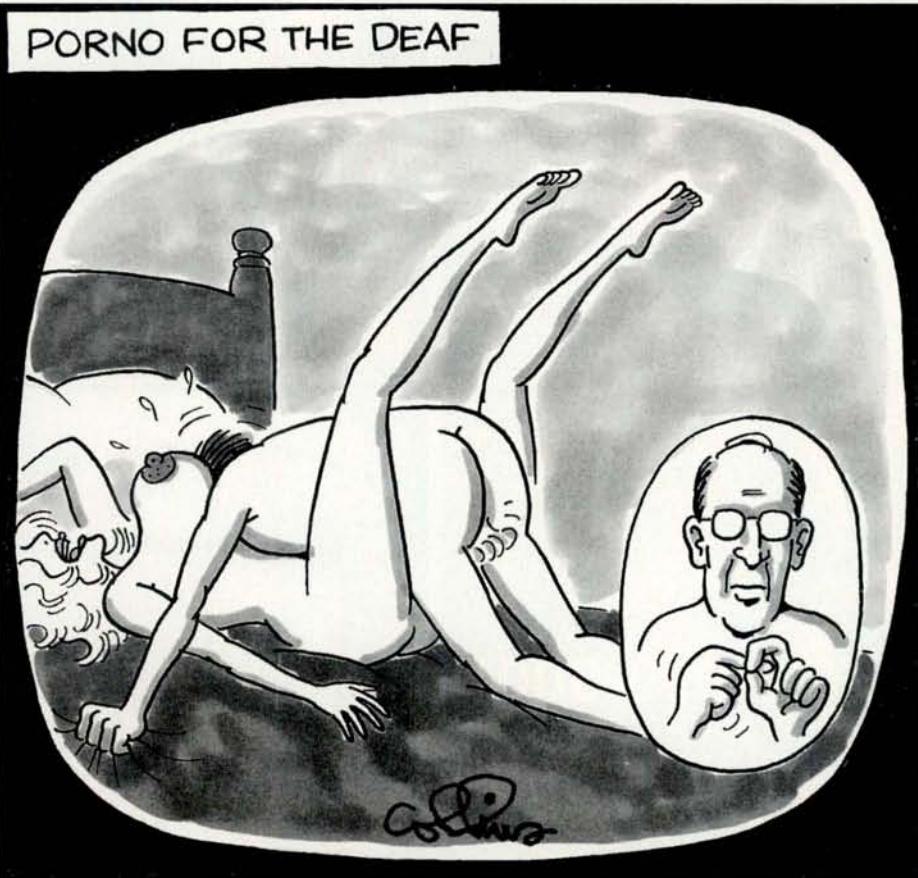

"The youth today are so weak," Ito concedes. "The boys act like women."

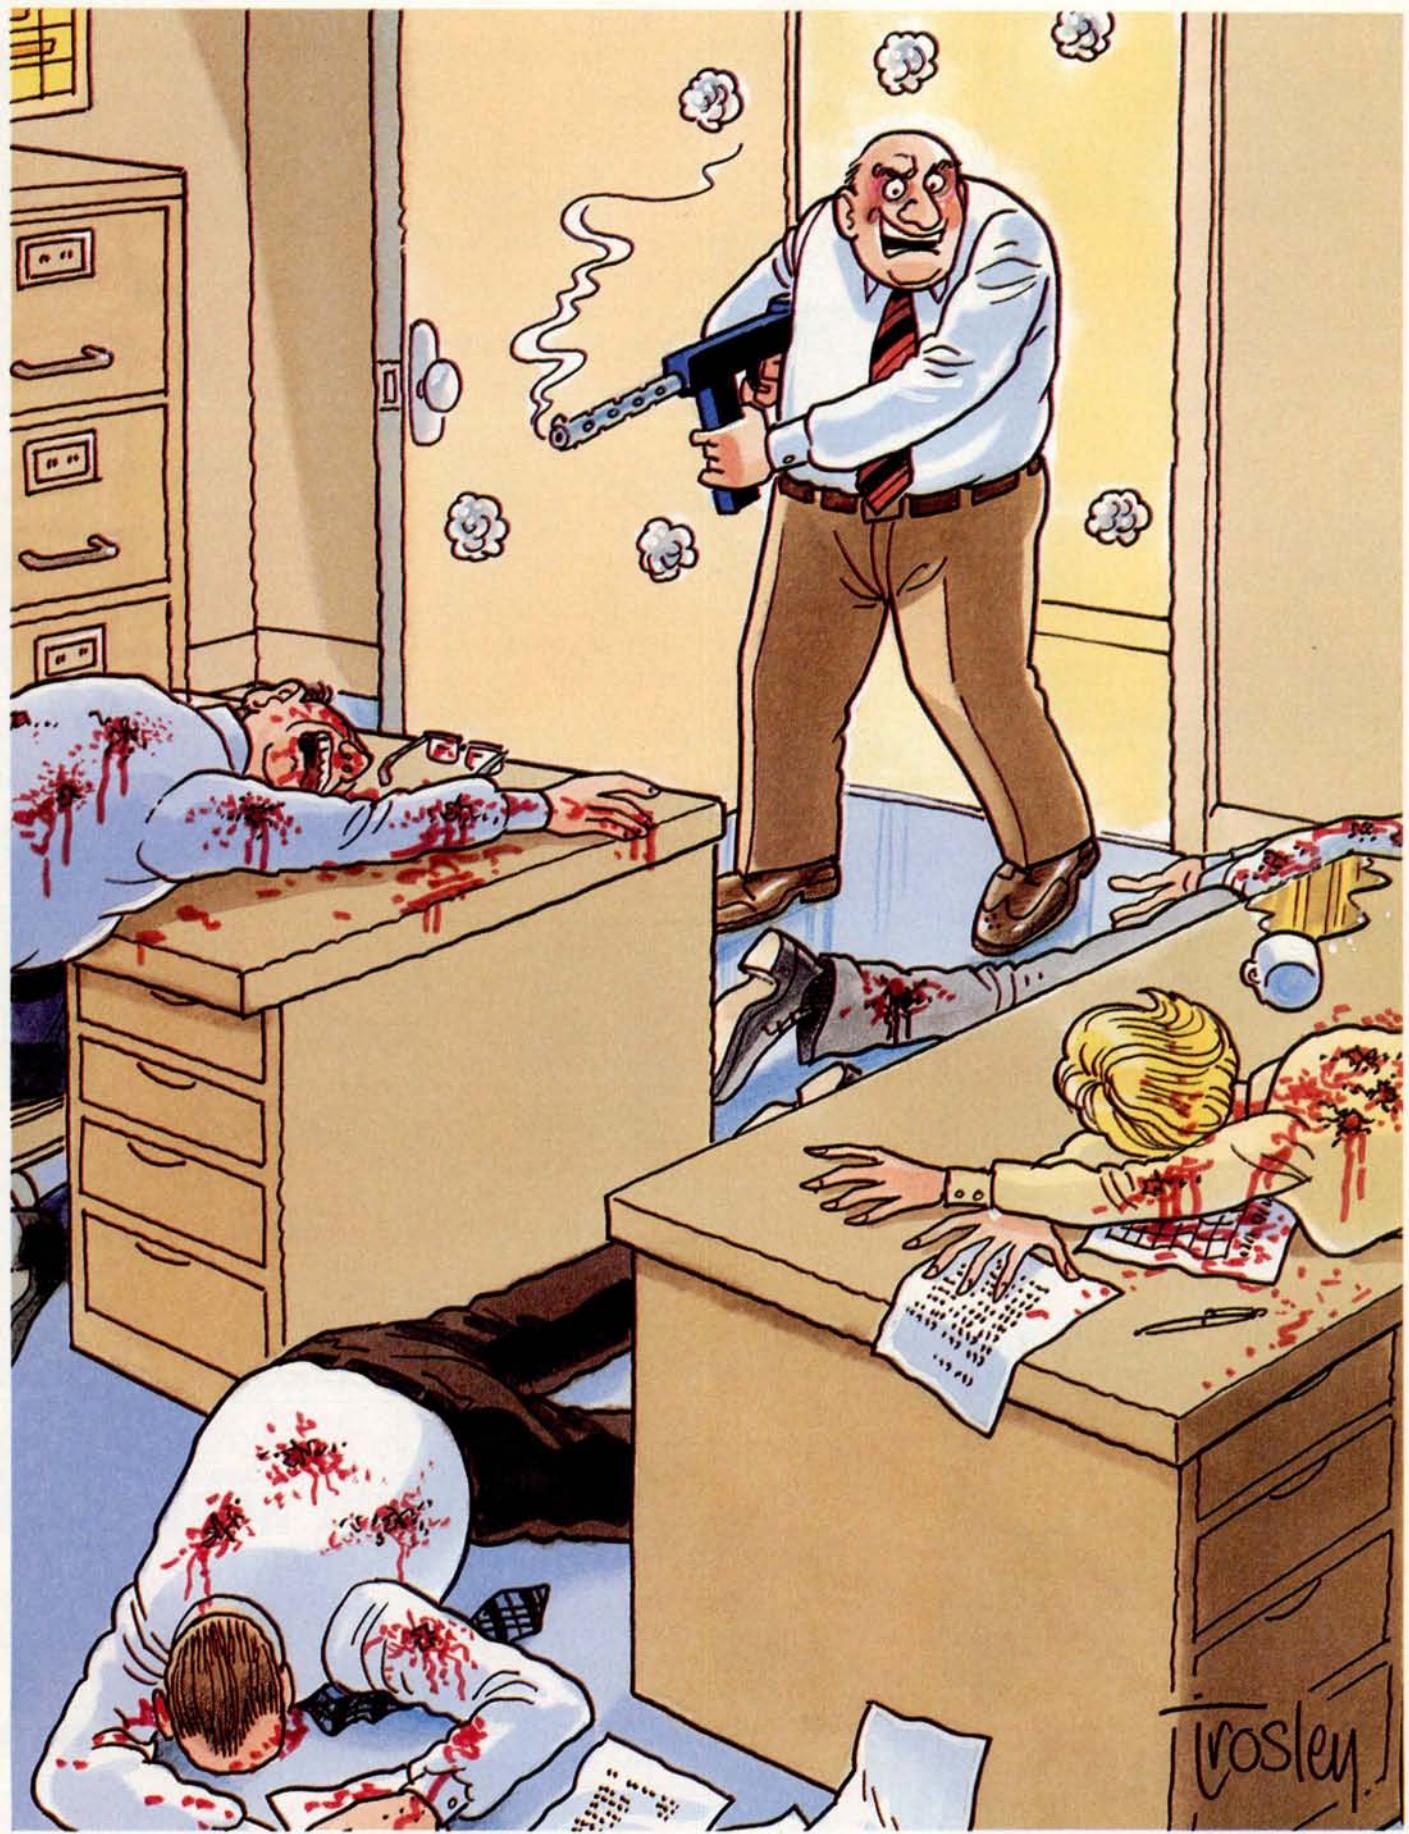

"When I was inside," he boasts, not specifying to which of his three jail terms he is referring, "I was given elite status. That meant good food, sake and women for me and the other real yakuza. The guards spoke to us in formal language, while the *chimpira* cleaned our cells and scrubbed our backs. It was a nice vacation from real work." Another smile.

*Click.* Toyama opens Ito's door, indicating that Kawaguchi is on his way. Upon reaching Ito, Kawaguchi drops his coat and duffel bag on the ground. He falls to his knees and executes a deep, formal bow with the élan of a geisha. The bluish edges of a chest tattoo flash

## Porn Suicides

(continued from page 112)

Megan soon had a reputation as a full-time doper. Johnny Castano, who often shot Megan and describes their relationship as "very close," recalls, "She used to hang around my house in Van Nuys. She was always on downers. She was depressed and crying all the time."

"She had a problem with pills," says director Paul Norman. "It wasn't a recreational type of drug use that grew. It was a need to take drugs to escape whatever she was escaping. She couldn't function a day without them."

But more problematic than her drug use was a festering, dysfunctional relationship with her mother.

Porsche Lynn believes that Megan had suffered physical abuse at her mother's hand as a child. "She would make little comments about her mother beating the shit out of her, or locking her in the closet," says Porsche.

The abuse continued into adulthood. Director Jim Holliday, who remembers Megan as "a precious little girl," claims that there was nothing she could do to satisfy her mother. "Megan and Mommy fought before she got into the business, they fought when she was a dancer, they fought before and after she started doing fuck films," declares

Holliday. "And Megan kept buying houses and shit for Mommy, and Mommy kept mentally and emotionally abusing the poor girl."

"She spent all of her money on building this house for her mother and making all the house payments," relates Porsche Lynn. "She put a built-in swimming pool in the backyard that the mother insisted upon having. Megan's boyfriend had had a fire at his store, and he was wiped out, and she wanted some money back from her mother—Megan had just given her mother \$10,000 to \$15,000 cash for the house. And her mother refused to give her the money."

A couple of days later, says Porsche, Megan and her mother got into a tremendous fight. That night, June 16, 1990, with her mother in the house, Megan put the end of a .38 revolver in her mouth and pulled the trigger.

"All her life, Megan made it a challenge to herself that she would somehow gain her mother's love," says Porsche. "She finally realized that no matter what she did, her mother did not love her. The one thing that she wanted was love, and that was not going to be given."

Next issue: Savannah, Cal Jammer and Alex Jordan meet their bitter ends. \*

## Yakuza

(continued from page 130)

beneath Kawaguchi's shirt. Seeing a yakuza tattoo in the flesh sends a shiver down the spine: Imagine the fear it strikes into the heart of a prim, legitimate Japanese businessman "offered" a deal with the yakuza.

On the drive back to Tokyo, Kawaguchi stares lovingly at every young woman driver as Ito briefs him on the latest Kowa-kai deals and personnel changes. By the time the car hits the elevated highways of central Tokyo, Kawaguchi has been assigned his new duties as a promoted Kowa-kai underboss. He responds by reiterating his heartfelt loyalty to Ito and Kowa-kai.

\* \* \*

The drunken Tanaka had grunted a similar oath before whipping the blade out of his kimono. It was a short, sharp cleaver, the kind a sushi chef might use to slice tuna or salmon. Tanaka laid the four-and-a-half fingers of his left hand flat on top of a pristine white-linen napkin. He wailed, bringing the blade firmly and expertly beneath the first joint of his ring finger, but then the movie ended as the reality of spurting, arching blood hit everyone—Ito, the two other bosses and Okawa-san—in the face. Tanaka screamed while maniacally rocking the blade to cut the last tendons. In the cinema, the act is clean, dignified and virtually bloodless, followed by the obligatory wrapping and presentation of the jettisoned finger to the boss. But Tanaka had to grope at his lost digit, and it was artlessly wrapped in a blood-saturated napkin.

Ito doesn't know why the Tanaka incident has been distracting him. Violence is the yakuza's stock-in-trade.

"Violence can be constructive," he says, lighting another Marlboro Light, "or it can be a waste of time."

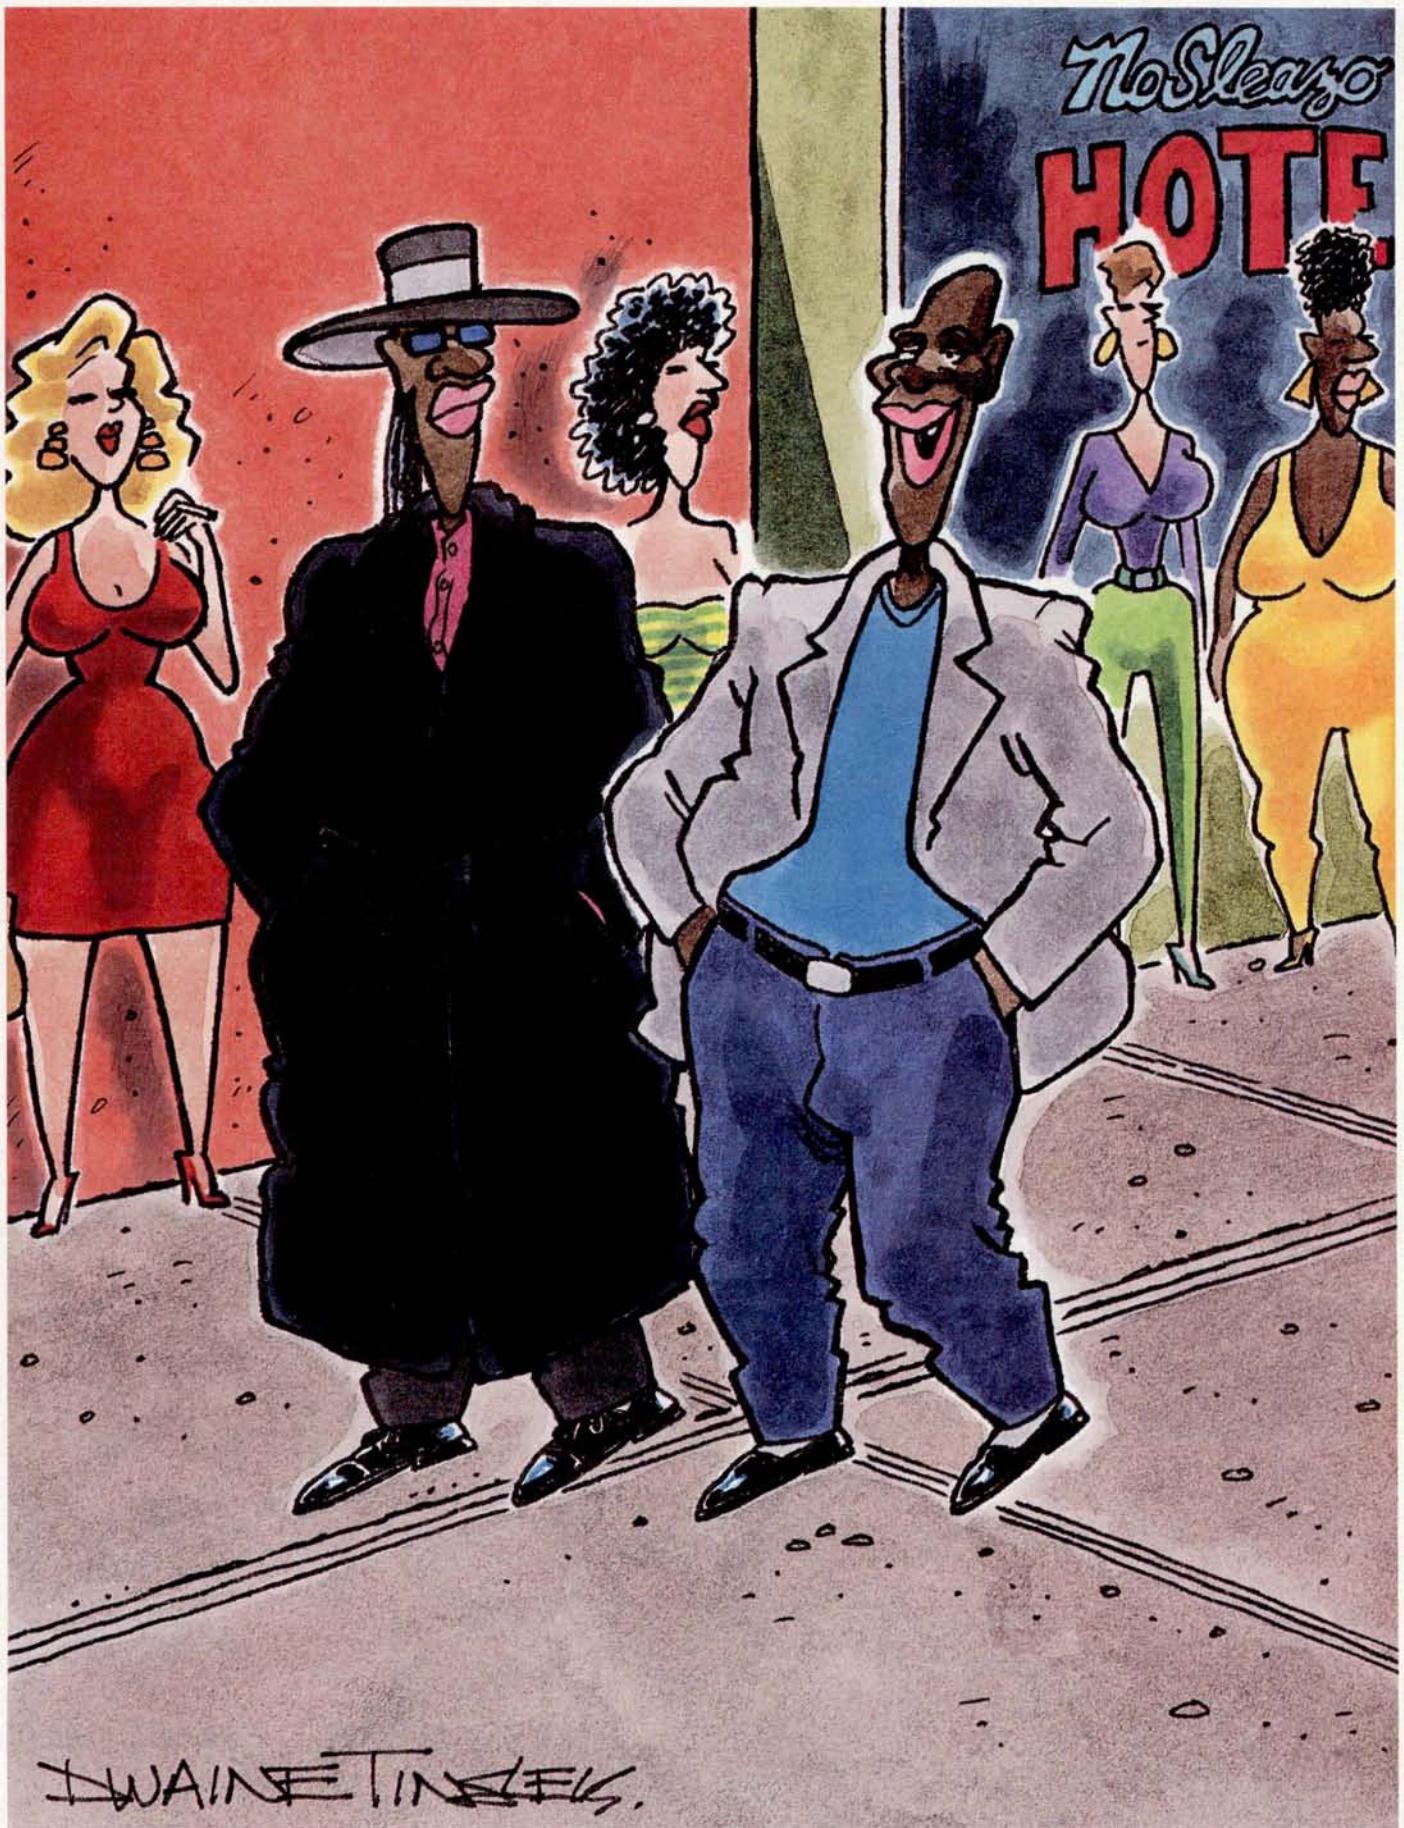

\* \* \*

Tokyo is more impressive at night. Sophisticated neon billboards blaze through the darkness. The sidewalks are jammed with nicely dressed people who may hit a bar to loosen up before the inevitable train home. To Ito, the men and women on the central-Tokyo sidewalks look wonderfully well fed, healthy and tall. Ito can't forget the poverty of his provincial hometown, which, even now, has only a sniff of the fumes of Japan Inc.'s prosperity. When he was a kid, he was always hungry, and so were his friends. But they had spirit.

As the car passes through a garish intersection where a giant video screen flashes highlights of recent European fashion shows, Ito orders Toyama to take him home. \*

"Do you mind, Louise? This call is costing me \$2 a minute!"

"Ever since the Million Man March, I've had a stronger sense of purpose. From now on, I'm only going to pimp the finest 'hos!"

# PENIS ENLARGEMENT

**MAKE YOUR PENIS HARDER,  
THICKER, WITH ERECT  
MEASUREMENTS UP TO 12  
INCHES OR YOUR  
MAXIMUM POTENTIAL!**

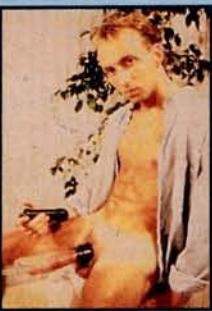

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9", and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To-Penis Enlargement System developed over 20 years ago.

 EVEN 12 FULL INCHES ARE POSSIBLE . . .**

Watch your penis **GROW LONG, GROW FAT** and **GROW** to new startling dimensions!

*It's easy; when you follow these simple instructions.*

**\$23.95 plus  
 FREE  
 SENTRY  
 PROLONG RING**

1. ANY MAN, WITH ANY SIZE in its soft state, inserts his organ onto the sleeve of the miraculous SUPRA 12 with the NEW SENTRY Prolong Ring for erection mastery.

2. Begin the vacuum development phase; see your flaccid, puny organ start to GET LONG, GET FAT, BULGE and GROW . . . to new startling dimensions of LENGTH & THICKNESS . . .

3. IS IT AS BIG AS YOU WANT? Good! Now simply slip the SENTRY Prolong Ring to the base of your penis. You can keep that long, thick hard erection for as long as you wish!

**HOW CAN THE SUPRA-12 DUAL SYSTEM  
 INCREASE PENIS LENGTH & THICKNESS?**

The phenomenon of male erectile response occurs when external stimulation, applied to the glans and penile shaft (see fig. 1) produces increased blood flow into the special muscles which reside in the penis. The increase produces turgidity and engorgement with a corresponding increase in thickness and size until the muscles are at full capacity. By increasing capacity, the muscles can hold more blood, producing a SIGNIFICANTLY LONGER, FATTER, and BULGING ERECTION. This is the principle behind the SUPRA-12, and it is simplicity itself! By using the system and all the components supplied, and flowing the simple directions, any man CAN ENJOY ASTOUNDING RESULTS in augmenting his natural penis size to the VERY MAXIMUM DIMENSIONS of which he is capable!

**THE Sentry PROLONG RING – THE MARVELOUS "BONUS" OF THE SUPRA-12 SYSTEM THAT ALLOWS YOU TO "HAVE YOUR CAKE AND EAT IT TOO!"**

No penis-building system is any good unless it allows you to enjoy LASTING INCREASES IN SIZE, right? This is where the beauty of the sensational new SENTRY Prolong Ring comes in – it allows you to maintain your NEW BULGING SIZE, and enjoy your hard, virile erection, for a period of time that will astound you – erection control for as long as you want! Not only that, but the SENTRY is simplicity itself; sits quietly at the base of the penis, and never interferes with penetration, the SENTRY is your secret ally in pleasure, allowing you to have intercourse, penetrating to new depths, with an amazing new level of rigidity never attainable before. And then it's removed in a flash. All this control literally at your command, at your fingertips!

**THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE – SUPRA-12 GIVES YOU BOTH!**

It's a fact: Other, inferior systems have half the features as Supra-12, but sell at twice the price, at the very least! Made in the U.S.A. these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

**NEW, IMPROVED  
 ELECTRIC MODEL**

Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

# HUSTLER®

## HEAT WAVES

In June, summer kicks in with balmy days, steaming nights and a sizzling new HUSTLER that will scorch your fingertips, addle your brain with an unholy fever and make you burst with pleasure. Feast your eyes on a tender blonde roasting in the sun, letting the heat juice her up in all the tight places; come see a street-walking brunette kneel at the feet of an anonymous john and suck spunk onto her lipstick-smeared face; a dirty blonde lathers her clam in suds and spreads it out on satin sheets to dry—and it just gets wetter; a raven-haired lesbian uses the tongue of a big-titted, strawberry blonde to clean up her finger-filthy cunt; and a kinky, brown-eyed exhibitionist gets her rocks off by stretching open and digging her fingers into every crevice of her black-furred booty. The first heat wave of summer will strike in the pages of HUSTLER, resulting in pleasant conditions of moist and sticky relaxation.

## LIGHT STORMS

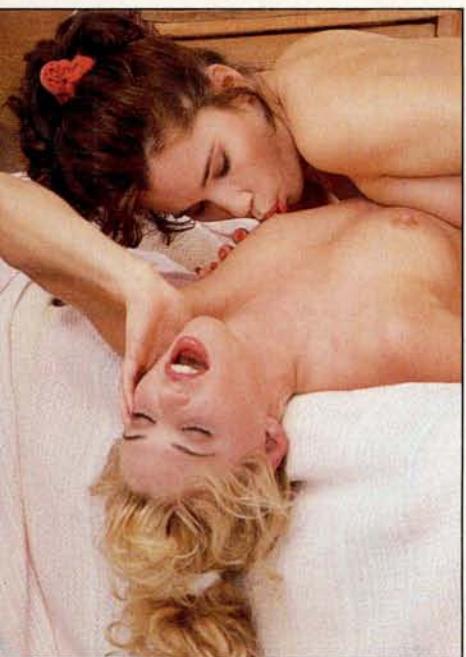

"It may be that we are about to witness the greatest hoax of all—a fake invasion from outer space, orchestrated by a powerful elite yearning for a New World Order in order to replace the American system of limits on the power of the federal government with a monolithic control of the nation's power structures." In *The Great UFO Hoax*, HUSTLER correspondent Gregory M. Kanon details how recent spates of UFO sightings and accounts of alien abductions may be part of a long-range conspiracy conducted by ex-CIA operatives and shadowy government figures to dupe the American public. Their goal? To stage a fake, worldwide alien invasion in order to justify martial law and the seizure of absolute power by the federal government. The facts will leave you wondering: Who is to be feared more, them or us?

## RESTING IN PEACE

No one else will dare discuss the truth. In part two of *Why Are America's Porn Stars Killing Themselves?* HUSTLER correspondent Marc Medoff continues his exploration of sex, drugs and shattered lives behind the glittering facade of the adult-entertainment industry and asks: Who killed Savannah, Alex Jordan and Cal Jammer? Was it the porn industry or was it the failure of their own troubled lives? The answers can be found only in HUSTLER this June.

## EXCURSIONS

The growing number of American females rediscovering the joys of ready-to-wear bondage is reported by Don Vaughn in "Corset Fetish" for *Sex Play* in June; *Bits & Pieces* throws the book at Howard Stern; *Erotic Entertainment* presents the official tour guide to strokers' paradise; and in *Beaver Hunt*, it's open season on the girls next door.
